Year	2011	Tag	2011	State	WA
Vehicle Owner	8A [REDACTED]				

Vehicle Damage

Damage to Vehicle?	No
--------------------	----

Narrative**Supervisor Summary**

While Ofc. Kellie Greenhill was traveling into work (northbound Hwy 16) , she observed WA/CEH8288 a white BMW 328 traveling in front of her. Due to the vehicles odd behavior changing lanes and speed, Ofc. Greenhill ran the vehicle plate via her MCT. While reviewing the return, she saw the vehicle was an unconfirmed stolen vehicle reported by Lakewood PD. She notified CenCom of her findings and how she would attempt a traffic stop on the vehicle. She continued following the vehicle, while maintaining good distance and eventually activated her overhead emergency lights, siren and camera. The vehicle was initially traveling in the inside lane when Ofc. Greenhill activated her overhead emergency lights, and moved to the outside lane as if they would pull onto the shoulder for the traffic stop. The vehicle did not stop, accelerated and continued Northbound on Highway 16.

Ofc. Greenhill noted the vehicle was not stopping, turned onto Charleston Blvd off the pursuit path and turned off her overhead lights. Ofc. Greenhill's actions were in line with current BPD Policy.

I reviewed Ofc. Greenhill's video and report.
