Narrative

Supervisor Summary

I have reviewed the report as well as the in car video (ICV). The video and report describe a vehicle that was believed to be a recent stolen car out of KCSO parked near a known residence where stolen vehicles are often located. Ofc Hughes saw the vehicle parked and did not know if it was occupied.

As he moved his marked patrol vehicle past the parked car and shined his light on it, the vehicle exited the parking location and quickly sped away in the opposite direction. Ofc Hughes turned on the vehicle attempted to close the distance on it to confirm the rear license plate. While behind the vehicle, it is seen crossing the center lane and committing a traffic violation. Ofc Hughes attempted to stop it using his overhead emergency lights, though as he did the fleeing vehicle turned its own lights off and was in the oncoming lane of travel and then passed thru the intersection of Harlow Ave and Price Rd without stopping for the stop sign. Ofc Hughes immediately stopped his pursuit and turned his overhead lights off while advising dispatch. During the review, I could see the overhead emergency lights come on, though I was unable to hear any audible siren. The report did not mention the audible siren activated either. Despite this, Ofc Hughes described the vehicle as seeing his fully marked patrol vehicle from the side, where there is clearly "BREMERTON POLICE" in high contrast and the vehicle only fled from it's parking position when a right alley light was shown on it. The fail to yield appears to be within policy. Nothing further.
