Enumclaw Police Department Supplemental Narrative

Details of Supplemental Narrative:

On December 13, 2013 at approximately 2135 hours I, Sergeant Gary Horejsi [REDACTED] on 3rd Street across from White River Credit Union when I heard tires squealing. I looked up towards the sound which was to the south of my location and towards Taco Bell.

I observed a white Ford F-250 or F-350 with a brown stripe down the center of it fish-tailing and driving recklessly. There were also a number of people in the parking lot close to where the truck was. From where I was it appeared as if the driver causing his truck to fish-tale in a parking lot almost hit a lady. The vehicle pulled out onto Stevenson Avenue and traveled towards Roosevelt Avenue (SR410).

As I began traveling towards Stevenson Avenue, I observed a crowd of people at Taco Bell gathering on the sidewalk and looking at the white and brown Ford. As I approached the vehicle it was pulling out onto Roosevelt Avenue. After it was safe to proceed I pulled out onto Roosevelt Avenue and got behind the vehicle. About this time we were approaching Safeway in front of the AM/PM.

I activated my overhead lights to conduct a traffic stop for the investigation reckless driving and reckless endangerment. After activating my overhead lights the Ford turned into the Safeway parking lot at the Roosevelt Avenue and Griffin Avenue traffic light. It appeared as if the vehicle was going to stop for me to contact them.

The vehicle then made a left turn and accelerated at a high rate of speed. The Ford then cut between two cars approaching us and almost hit another pedestrian walking across the parking lot. The Ford then used the first entrance/exit on Roosevelt Avenue out of the parking lot cutting off a car and then running the red light at Roosevelt Avenue and Watson Street North. The Ford continued east bound on what was now Roosevelt Avenue E. As the vehicle pulled onto the roadway I could partially see the driver who was a white male with dark hair and what appeared to be facial hair.

As the vehicle continued east on Roosevelt Avenue E there were only three cars on the road at the time. One pulled over just past McDonalds near The Lift which that area has a large parking lot area. The second vehicle was approaching us on the other side of the road and pulled over as far right as they could. The third vehicle was near the car wash and pulled in there before we had reached them. The Ford then traveled to the intersection of Roosevelt Avenue E and Farman Street N. Upon approaching the intersection I observed we had a green light and that there was a fourth vehicle now in the area. The driver of the Ford stopped and allowed the vehicle approaching us to pass. The Ford then continued north bound on Farman Street North/284th Avenue SE.

There were no vehicles on 284th Avenue SE at this time and the driver of the Ford was still eluding me. I had my overhead emergency lights on along with my audible siren. We continued traveling North on 284th Avenue SE at speeds of approximately 70 miles per hour. There road conditions were wet but not raining. The traffic was light with no cars on the road way. As we approached the intersection of 295th on a curve of 284th Avenue SE I observed the Ford preparing for the curve ahead by moving into the oncoming traffic lane so the vehicle would make the turn. At this point I also observed off in a distance

what appeared to be lights of an approaching vehicle. The lights were still a ways off however at this time I decided to terminate. Black Diamond PD was notified the vehicle may be headed their way.

I turned of my overhead lights and audible siren. During the pursuit I attempted to get the license plate from the vehicle several times and was only able to get all but the last letter. Officer Howerton however stated he knew what the plate of the vehicle was because approximately a month prior he too pursued the vehicle on the same roads and path. He stated the license plate on the vehicle was C65628R. This returned to a 1994 Ford F-250 pickup. The registered owner is listed through DOL as Bryson William Sylva 22766 SE 266th St. Maple Valley, WA 98038. Officer Howerton advised me during his investigation from his pursuit with this vehicle he learned the vehicle had been sold to Devon S. Anonson DOB 08-26-1996. Anonson resides at 20321 SE 320th St, Kent, WA 98042. From the DOL picture of Anonson it appeared to be the driver of the truck from what I had seen. Officer Howerton also stated the driver had a suspended license and multiple warrants out of Black Diamond, King County and Pierce County.

I then returned to Taco Bell to see if I could contact anyone who was outside at the time of the incident. No one was there. While there I went inside and asked the employees if there were any cameras outside and they stated no. Officer Howerton then showed them a picture of Anonson and asked if he had been there tonight. The employee we were speaking to stated he had not come inside but does frequent the restaurant.

At this time this report is for informational purposes only as I can not positively say Anonson was driving the vehicle.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

This declaration was submitted from an electronic device that is owned, issued, or maintained by the Enumclaw Police Department on this 20th day of December, 2019, at Enumclaw, Washington.
