## Narrative

### Miscellaneous Incident Investigation Narrative

#### 1. Incident Description:

Elude/DUI/Reckless driving

#### 2. Premises location and description:

#### 3. Other information:

On 08/10/22, at approximately 2010 hrs., I was traveling southbound on Highway 101 Approaching Stringtown Rd. I observed a small Kia SUV traveling in front of me. On two separate occasions, the vehicle crossed over the fog line, and traveled along the shoulder of the roadway. The vehicle quickly jerked back into its lane, once it hit the edge of the blacktop along the shoulder of the roadway.

Upon entering Chinook, the vehicle followed small passenger truck just a few feet from its rear bumper. I ran a registration check vehicle bearing Washington license plate BBR2614. The vehicle returned with an expired registration, with an expiration date of 01/13/19. As we approached the Chinook County Park on the south end of town, the vehicle signaled to make a right-hand turn. The vehicle began exiting the roadway toward the park entrance, when it suddenly jerked back into the southbound lane of travel. The vehicle continued southbound, still only a few feet off of the bumper of the vehicle in front of it.

I continued following the vehicle southbound on 101. As we exited the Chinook tunnel, the Kia quickly swerved into the northbound lane and began passing small passenger truck on a corner. The manure was extremely unsafe and conducted in a no passing zone. An oncoming vehicle had to pull over to the shoulder to avoid a collision. At this time, I activated my emergency lights and sirens. The vehicle continued to speed up. The vehicle eventually made a right turn onto the Astoria megler bridge and continued into Oregon.

Due to having felony probable cause for eluding as well as DUI and reckless driving, I continued pursuing the vehicle into Oregon. Once across Astoria megler bridge, the vehicle turned southbound onto 101. The vehicle continued southbound on Highway 101 making several unsafe passes and forcing other drivers off of the roadway. I discontinued the pursuit near Ensign Road and Highway 101

I was unable to ID the driver of the vehicle at the time of pursuit.

The following day I was advised that the Seaside Police Department had contacted a male subject connected with the vehicle involved in my pursuit. The male was identified as Shawn L. Labuff 05/18/1993.

Seaside PD report added to case file.

Information was Shawn LaBuff was the driver and did not want to speak with the police; he may have the keys to the car. He had been seen to the north on Holladay watching police from a distance.

I located Shawn in front of 623 Indian Way and struck up a casual conversation with him. He told me he was scare I was going to arrest him. I asked him what I would arrest him for. He told me he did not know.

I asked Shawn about the Kia Soul that was being impounded. He told me it was his. I asked if he had any ownership documents for it. He told me he only has a bill of sale. I asked where it was. He told me it was at his house. I asked where his house was. He told me he just moved there and did not know the address.

I asked Shawn if he was in Washington yesterday. He told me he was. I asked where he was. He told me he was visiting his uncle, Steve LaBuff. I asked where his uncle lived. He told me in Long Beach.

I asked for the key to the Kia so we could properly secure it. He took a large ring of keys out of his pocket, took the Kia key fob off and handed it to me. Shawn kept asking me what was going to happen next and how to get his car back. I explained we needed proof of ownership. He told me he will bring the bill of sale and his father to Seaside Police Department.

I went back to the car that was being impounded and gave the key to the tow driver. Bambi Collins was there and told me Shawn was scared of being arrested and told her he had been in a pursuit last night.

While we were standing by for the tow to load the vehicle, Shawn came walking up on us. He wanted his phone out of his car. The tow driver looked for it and we called it and could not locate it. Shawn stated he may have left it in Bambi's car. I asked why it would be in Bambi's car. He told me they were sitting in it talking.

Note: Bambi's car was parked next to the Kia Shawn was claiming ownership of.

The Kia was impounded by Triangle Towing. I used TLO to locate a Stephen LaBuff related to Shawn in Long Beach. A person entry was created for him.

Estuary parking lot. I told Collins the reason for my contact was to issue a trespass notice. Collins had a male sitting in the passenger seat who identified himself as Shawn Labuff. There was a vehicle parked approximately 3 feet from Collins vehicle to the south unoccupied. I assumed it belonged to the male, because Collins was parked so close and the male was with her. When I asked if it was his he said no.

Dispatch ran Collins who came back with a suspended license. I told Collins she was suspended and told her she needed to call a licensed and insured driver that could move her vehicle for her. I asked Lebuff if he had a license and he said he didn't have any ID with him. Myself and Sgt. Stelson broke contact with Collins and Lebuff to speak with the other vehicles parked in the Estuary parking. By now Officer White arrived. When we finished speaking with the other drivers we went back to the abandoned vehicle.

Collins and Lebuff left the area. The abandoned vehicle was a 2012 gray Kia with Texas license plate DG5L221. Sgt. Stelson discovered the driver's side window was busted out. We could see a backpack inside, and underneath there was a needle with what looked like a mixture a fluid in it. There were multiple credit cards laying on the passenger side floor board. Officer White walked to the front of the vehicle and could see an imprint of some numbers different than the ones on the Texas plate. Sgt. Stelson ran the vin and it returned WA plate BBR2614 and TX plate DG5L221.

Earlier today there was a report of a pursuit starting in Pacific County and continuing into Oregon. OSP reported it as a gray Kia with the WA plate BBR264. During this time Sgt. Stelson was running the vin, we had multiple 911 calls concerning Collins. Collins was saying something to the effect of, she wasn't with Lebuff and he was following her. Collins was stating she was at the Estuary but we didn't see anyone around. She called 911 multiple times but was unclear. Eventually we did see Collins walking back up Holladay from the south, Lebuff wasn't walking with her, he was walking behind her. JD Collins was with them as well.

Collins was on the west side of the street near JD and Lebuff crossed over to the east. Myself and Officer White went to speak with Lebuff. I asked Lebuff where he was from and he said Salem. I asked how he got to Seaside and he said his uncle came to pick him up a couple of days ago. He said last night his uncle took him to Astoria where he met Collins. He said Collins gave him a ride to Seaside. I asked why Collins would park so close to the Kia when there is plenty of room to park. Lebuff said he didn't know why.

Lebuff thinks Collins parked close to see if the person in the vehicle wanted to smoke. Lebuff asked me what was up with the vehicle and what was the big deal with it. I told him we have reasonable suspicion he is connected to the Kia in some way. I asked Lebuff is there is a reason we may think he is connected and he said no. Lebuff said Collins wanted to see if she knew the person in the car. Lebuff said Collins told him the window is busted.

After our conversation with Lebuff, he and Collins continued walking north on Holladay. At around 0528 hours, Collins came back to her vehicle. She said Lebuff told her he was in a high-speed chase earlier today in that car, pointing to the grey Kia parked beside her. Collins said I have nothing to do with that guy. Collins said Lebuff was at the same bar in Astoria and he must have followed her to the Estuary parking. She said Lebuff pulled up beside her, got out of his car, went to the passenger side door of her car, opened the door and got in. She said we pulled up right

after he got in. She said his response was, oh shit is that the police, I got into some trouble today.

Collins stayed with her vehicle waiting for someone with a license and insurance to drive it for her. Lebuff never came back to the vehicles. The Kia was towed to Triangle, since it had not been claimed and there was no way for us to secure it with a broken window. Corporal Crowe came to relieve me around 0615 and wait for the tow.
