Public Records Request - Sheriff's Office

The Sheriff's Office maintains records for incidents that occur in unincorporated Whatcom County. Sheriff's Office case numbers contain an "A" (i.e. 21A21212). If you are requesting records for incidents occurring in city limits, you will need to contact that city's law enforcement agency. If your case report contains a "B" in the number (i.e. 21B12345), you will need to request those records from Bellingham Police Department.
