INVESTIGATION:

On 8-14-2022 I was working patrol for the City of East Wenatchee in police uniform while driving a marked police vehicle. At approximately 0227 hours, I was on patrol in the 100 block of Grant Road in East Wenatchee, Washington. I observed a dark gray Jeep Patriot WA/BKW4681 in the 100 block of Valley Mall Parkway.

The vehicle caught my attention due to the low speed it was traveling and a non-functioning passenger front headlight. Based on my observation, the vehicle was traveling approximately 5 miles per hour. The speed limit on Valley Mall Parkway is 25 miles per hour.

The sunset on 8-13-2022 occurred at approximately 2014 hours. RCW 46.37.020 clearly states, "Every vehicle upon a highway within this state at any time from a half hour after sunset to a half hour before sunrise."

RCW 46.37.040 When lighted lamps and signaling devices are required clearly states, "Every motor vehicle shall be equipped with at least two head lamps with at least one on each side of the front of the motor vehicle, which head lamps shall comply with the requirements and limitations set forth in this chapter."

I proceeded through the northbound green light at the intersection of Grant Road and Valley Mall Parkway. After entering Valley Mall Parkway, I looked to my left and observed the driver of the Jeep through the rolled down driver's side window. The driver was approximately 30 years of age with dark hair. He was a white/Hispanic male and wearing a dark t-shirt. He was leaning forward in the seat and his head was approximately 6 inches away from the steering wheel. I was approximately 20 feet away from the driver for this observation.

I observed what appeared to be a female in the passenger seat. She had long dark hair and was looking down. I could not identify her.

I made a U-turn in the 100 block of Valley Mall Parkway after passing the vehicle. I positioned my patrol car behind the vehicle facing southbound at the intersection of Valley Mall Parkway and Grant Road. The traffic light was red. I advised Rivercom Dispatch I would be stopping the vehicle in the 100 block of Rock Island Road.

After the traffic light turned green, I activated my overhead emergency lights to conduct a traffic stop. The vehicle proceeded through the intersection and onto Rock Island Road, failing to yield. As the vehicle passed through the intersection of Simon Street and Rock Island Road, I activated my siren.

Once my siren was activated, the vehicle began to accelerate at a high rate of speed. I advised Rivercom it appeared the vehicle was attempting to elude me. I followed the vehicle at the posted speed limit, 25 mph, for approximately 30 yards until it was clear the vehicle was not stopping. I turned off my overhead emergency lights and siren and continued to drive at the posted speed limit.

I observed the vehicle as it drove through the intersection of 2nd Street SE and Rock Island Road. Based on my visual observation, the vehicle was traveling at approximately 80 miles per hour. I continued to follow the rules of the road as this did not meet the requirements to pursue the vehicle.

As the vehicle approached the intersection of 3rd Street SE and Rock Island Road, I observed the vehicle briefly slow down before entering the intersection. The vehicle failed to stop at the intersection and proceeded southbound on Rock Island Road at approximately 80 miles per hour. There was a clearly posted stop sign at the intersection and a red flashing light overhanging in the middle of the intersection. I lost sight of the vehicle as the taillights crested down a small hill at the intersection of Rimrock Way and Rock Island Road.

I checked the vehicle registration through the Washington State DOL using the Mobile Data Computer (MDC) in my patrol car. The vehicle was registered to Herbert C. Troxel DOB 9-29-1942. I reviewed a DOL photograph of Herbert on my MDC. The male I saw driving the vehicle was not Herbert.

Rivercom Dispatch advised the vehicle was recently involved in multiple local theft calls. The most recent call was on 8-12-2022. In the call, Kory M. Jones DOB 10-22-1990, was listed as the suspect of stealing approximately \$1,000 in product, a felony offense. See WPD case 22W14139 for details. Wenatchee PD had issued a teletype to local agencies to stop and identify the driver. He was still outstanding at the time of this report.

The vehicle was involved in three prior theft calls in 2022 alone. In 2019, the vehicle was listed as the suspect vehicle at a theft from Fastenal tools in East Wenatchee. In the report, Kory Jones was identified as the suspect by the witness. See EYPD case 19E0945 for details.

Rivercom Dispatch provided me with Kory's Washington DOL return. His return showed him to have a revoked driver's license in the 1st degree. Rivercom advised Kory had an outstanding felony warrant for his arrest.

I reviewed Kory's DOL photo and previous jail booking photos using my MDC. After reviewing the photographs, I confirmed the male was Kory driving the vehicle at the time of the attempted traffic stop.

Based on my investigation and Kory M. Jones DOB 10-22-1990 willfully failing and refusing to immediately bring his vehicle to a stop and driving his vehicle in a reckless manner while attempting to elude a police vehicle after being given a visual and audible signal to bring the vehicle to a stop, I found probable cause he committed the crime RCW 46.61.024 Attempting to elude police vehicle.

Based on my observation of Kory M. Jones DOB 10-22-1990 operating a motor vehicle in the state of Washington while his driver's license was revoked in the 1st degree, I found probable cause he committed the crime RCW 46.61.342.1A DWLS 1st Degree / Revoked

I searched the area where I last observed the vehicle but was not able to locate Kory or the Jeep.

I am forwarding this case to the Douglas County Superior Court for filing of the charges and issuance of an arrest warrant.

End of report.
