RE: Request for Records - P011970-111623 – Clarification Received; Fulfilled-No Cost

Pacific County received your Request for Records on 11/16/2023 regarding: “Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records: Monthly counts of vehicle pursuits involving the Pacific County Sheriff's Office from 1/1/19 through 11/30/23. Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.”

On 1/3/2024 we requested clarification of your request and on 1/4/2024 received your clarification: **“Yes, I would like the reports for those six incidents please”**. Thank you.

The Pacific County Sheriff's Office has provided the records you requested. We have made the records available for download from the Public Records Center in the files:

19-2626 combined-R.pdf
19-7729 combined.pdf

21-3482 REPORT.pdf
22-4670 combined-R.pdf
23-6442 combined-R.pdf

We are providing these records to you at no cost because the records are being provided electronically through the Public Records Center and the number of electronic records falls below our threshold for charging.

If you are seeking additional records, or these records do not satisfy your request, please contact me. Otherwise, we will consider this request fulfilled and close this matter.

Sincerely,
PACIFIC COUNTY
