RE: PUBLIC RECORDS REQUEST of June 07, 2024, Reference # R001561-060724.

Dear Heather Kelly,

The WSCJTC received a public information request from you on June 07, 2024. Your request mentioned:

"Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the records described below that are in the possession of the Criminal Justice Training Commission. I request that the search for records include employee correspondence. The records I am seeking are:

- WASPC accreditation standards from 2015 through 2024;
- WASPC model policies from 2015 through 2024; and
- WASPC guidelines/policies published between 2015 and 2024 related to vehicle pursuits, including, but not limited to, conducting vehicle pursuits, documenting vehicle pursuits, maintaining records on vehicle pursuits, and summarizing vehicle pursuit data.

This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for processing my request."

The WSCJTC has reviewed its files and has located responsive records to your request. Please log in to the [Public Records Center](#) at the following link to retrieve the appropriate responsive documents.

No information has been redacted or withheld from the enclosed records.

You've been provided the accreditation standards, model policies, and other misc. policies that were found during this search. Today you received a few additional records of email and a powerpoint from the WASPC Director to the King County Chief's meeting.

Additionally, records potentially found within the prior Executive Director's (Sue Rahr) email have been lost due to improper archiving from our IT department. These errors have been recognized and prevented for the future, but a potential repository of records for this request is gone. I deeply apologize for the loss of records.

This completes your request. Your request is now closed. Per *Cousins v. Dept. of Corrections (2024)*, I am required to inform you this is the WSCJTC's final response to this public records request. The WSCJTC does not intend to further address this request. The PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this communication.

If you have any questions, please contact me within 30 days by responding to this email, or by letter at [19010 1st Avenue South Burien, Washington 98148](#). Thank you for your request.

Sincerely,
Derek Zable
Records Manager
Records Division
