RE: PUBLIC RECORDS REQUEST OF 9/5/2024, Reference # PD-24091

Dear Idris:

The DuPont Police Department (DPD) received a public information request from you, and your request mentioned:

“1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;”

I attempted to reach you by phone this morning (10/2/24) to ask for clarification on part one (1) of your request, and was only able to leave a voicemail. This letter is to clarify what information you are seeking from the DuPont Police Department:

By the term “pursuit incidents that your agency was involved in,” do you mean incidents in which DPD was actively involved in the pursuit of the subject vehicle, or just involved in the incident in *any* capacity – such as assisting an outside agency with the investigation or the arrest (if

applicable), but not involved in the physical pursuit the subject vehicle?

If you would like the DuPont Police department to proceed with your public information request, please provide clarifications within thirty (30) days from today, 10/2/24. Otherwise, we will consider this portion of your request abandoned and will close your request after providing any other responsive records relative to your request, if any. You may provide a response to the DuPont Police Department by any of the following methods:

1. by responding to this email
2. by facsimile to (253) 964-8491
3. by regular mail to: DuPont Police Department, [1780 Civic Drive, Suite 100, DuPont WA 98327](#); or
4. in person at: DuPont Police Department, [1780 Civic Drive, Suite 100, DuPont WA 98327](#)

Upon receipt of your clarification, DPD will further respond to your public records request as required by law, including providing you with an estimate of when the request will be fulfilled. If you have any questions, or wish to discuss this further, please contact us.

Sincerely,

Diana Hooft

Administrative Division/Records

DuPont Police Department

Hello,

Sorry to miss your call, I'm abroad right now so cell service is off.

To answer your question, just the former (incidents in which DPD was involved in a pursuit).

Thanks so much and let me know if you have any other questions.

Thank you for your prompt response. I interpret your answer to be that you want the incidents in which DPD was physically involved in the pursuit of the vehicle, and will continue to research your request using this information.

Respectfully,

Diana Hooft

Administrative Division/Records

DuPont Police Department
