Ms. Kelly,

Regarding your PRR 24-0375, unfortunately our RMS system is not able to extract the specific data you've requested.

We can provide our pursuit review documents for a fee of \$35.25.

If you also wanted the associated case reports, those would be an additional \$110.00.

Please let us know how you want to proceed with this request. If we do not hear from you by 06/28/24 we will consider this request abandoned and closed.

Thank You,

K. Benko 654

Hi Kristina,

Thank you for your reply. Yes, I'd like the review documents, please. As far as the data goes, can you share what RMS system you use?

Thanks,
Heather Kelly

What is the best way for me to make the payment? I'd like to do it online, if possible.

Hi Kristina,

I want to clarify our request in light of what you're sharing about Spillman. It sounds like the data we are asking for exists, and you're able to access it, but you're saying you can't extract it. Is that correct?

If so, what is the normal process for providing data from Spillman in response to a PRR?

Thanks,
Heather Kelly

Ms. Kelly,

I can answer affirmatively to the first two portions of your query in that yes, the data you are inquiring about exists and that we are able to access it, however it cannot be exported in the specific manner in which you are seeking. Your request was for the following:

"A list of all vehicle pursuit incidents that the Snoqualmie Police Department was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;"

The data you are asking for can be found on the pursuit reviews and/or the case reports. As mentioned previously, either or both can be provided pending payment of the appropriate fee. However, the documents provided in response to a PRR will be simply those documents. It would be up to the end user to review those documents, extract the data in which they are interested, and arrange that data per their preference. The department is not under obligation to conduct those research, extraction, or arrangement actions.

Further, to address your question about payment of the related fee,

Once payment has been received, a link to the records will be provided to you via email. The City of Snoqualmie accepts check or credit card payments. Credit card payments can be made in person at City Hall or at the Snoqualmie Police Department. Checks can be made in person at City Hall or at the Snoqualmie Police Department, via the payment drop box at City Hall, or mailed to PO Box 987, Snoqualmie, WA 98065. Please reference your PRR #24-0375 on your check or envelope. City Hall hours are Tuesday- Thursday from 10am-2pm. Snoqualmie Police Department hours are Monday-Friday from 8am-5pm. If we do not receive payment by 06/28/24, we will consider this request abandoned and closed.

I will mail a check. To whom do I make it out?

Regarding closure of my request, it is my understanding that the AG's office recommends that agencies wait 30 days before considering a request abandoned. Does the City of Snoqualmie have a different policy? I ask because I will be traveling from this weekend through July 12 with limited access to email. In the event my check is lost in the mail, I would like my request to remain open.

Best,
Heather Kelly
