Narrative**Supervisor Summary**

Officer Hancock attempted to stop a vehicle for a traffic violation at Highway 3 and Sam Christopherson. He activates his lights and the vehicle yields momentarily pulling over on Sam Christopherson. Then the vehicle makes a quick turn onto W/B Sam Christopherson and takes off from the stop. Officer Hancock does not attempt to go after the vehicle and stays where he is with his lights activated. He sits there for about a minute and gives CENCOM the information on the stop. He made no attempt to follow the vehicle and remains on the side of the roadway.

Upon review of his dash camera and report I believe Officer Hancock's actions to be within policy as this would not be a permitted pursuit with out policy. He did not deactivate his lights but remained pulled over on the side of the road for about a minute or more with the vehicle no longer in his sights.
