INVESTIGATION:

On 06-03-2021, I Sergeant Karsten Garcia, was working uniformed patrol for the City of East Wenatchee and operating a fully marked patrol unit. At approximately 2127 hours, I overheard Officer Ruiz of the Wenatchee Police Department advised he was attempting to stop a motorcycle. Officer Ruiz advised the motorcycle was fleeing at high speeds and he was in pursuit. Officer Ruiz advised the motorcycle reached speeds of 100 mph in the city limits.

Immediately, I left the office and stated to head towards the George Sellar Bridge. I overheard the WPD units stating they were heading to the bridge. As I approached the bridge, I observed the suspect motorcycle and WPD units travelling across the bridge. I performed a U-turn on the bridge on ramp and travelled south on SR 28 near Grant Rd.

WPD units advised they had discontinued the pursuit at Grant Rd and SR 28. The last known location of the suspect motorcycle was eastbound towards Hydro Park.

I accelerated to catch the motorcycle. As I rounded the corner on SR 28 near mile post 1, I observed a single taillight approximately a half mile ahead of me. I accelerated and caught up to the motorcycle near mile post 4. I continued to pursue the motorcycle eastbound on SR 28 at speeds around 90 mph. The motorcycle got up to speeds of 100 mph but was not driving in a reckless manner. The motorcycle passed most vehicles in a safe manner.

I observed the rider appeared to be a male and he was wearing a grey hoodie.

I requested Rivercom check for a Washington State Patrol (WSP) units in the area. Rivercom advised there were no WSP units in the area. I requested Rivercom contact MACC dispatch and start some units from Grant County.

I continued pursuing the motorcycle as we passed Rock Island and the Rock Island Dam. As we neared the palisades turn off, I requested an update on any other units. Rivercom advised there were no units available at the moment. Due to the distance from the East Wenatchee city limits, the location of my nearest secondary unit, and the severity of the crime committed, I terminated the pursuit. I provided Rivercom the last direction of travel, which was

eastbound still.

A few minutes later, MACC dispatch advised they believed the subject was Shawn Entzel DOB 01-27-1982. MACC advised Entzel had a federal ATF warrant along with other felony warrants. I was unable to positively identify the suspect at Entzel.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
