Narrative**Supervisor Summary**

Officer on-viewed a suspect vehicle from a vehicle vs pedestrian collision/assault, turned on the vehicle, and attempted to make a traffic stop on the suspect driver. The officer activated his emergency lights and the suspect driver accelerated and began to flee. It became clear to the officer the vehicle was attempting to elude, so he shut down his emergency equipment and began normal driving, as the suspect vehicle was no longer in sight. The total time of attempting to stop the vehicle (emergency lights and sirens activated) was 22 seconds, and less than an 8th of a mile.

After review of the report, Axon camera footage, and speaking with the officer it appears the attempt to stop the vehicle was within policy and law.

*Note ... identity of driver was not confirmed however driver resembled Patrick Henry.
