

Hello,

I am following up on my prior public disclosure request (24-0157), which has been closed (see attached). Debbie Wharton was the person who fielded that request. She contacted me to follow up on item one of my request regarding vehicle pursuit data (also attached). Although I was traveling and did not respond, Debbie went the extra mile to contact the RMS company to see if the data was available in the format I requested. That extra effort was appreciated!

Since your software won't allow the type of data extraction I was hoping for, I am now requesting the incident reports and CAD printouts from the 10 vehicle pursuit incidents Debbie listed. I do not need any photographs or video footage. The incident numbers and dates are:

- 19F03776 – 3/28/2019
- 19F04694 – 4/19/2019
- 19F07364 – 6/25/2019
- 19F13381 – 12/11/2019
- 20F02677 – 3/19/2020
- 20F05370 – 7/3/2020
- 20F09484 – 11/15/2020
- 22F03713 – 4/19/2022
- 22F11613 – 12/16/2022
- 23F08140 – 10/17/2023

Please feel free to email me at pnwresearch24@gmail.com with any questions or concerns.

Sincerely,

Heather Kelly
