EVIDENCE:

1. Officer Cooper's Body Cam Video

\*\*\*\*\*

CHARGE(S):

1. RCW 46.61.024 - Attempt to Elude a Police Vehicle

\*\*\*\*\*

INVESTIGATOR'S NAME(S):

1. J. Virnig #1DO8

\*\*\*\*\*

INVESTIGATION:

On 10-03-20 at about 0444 hours, I was on patrol in uniform and driving a marked patrol car for the City of East Wenatchee.

I was driving eastbound on 15th St NE from the intersection of N. Baker Ave. A silver 2005 Chrysler PT Cruiser convertible (WA/BKP8524) passed by me going westbound and approached the intersection. What caught my attention about the vehicle was it appeared the rear window was broken out and it was the only vehicle on this stretch of roadway at this time. It was later discovered there was no defect with the rear windshield. The vehicle turned southbound on N. Baker Ave. I turned around and arrived at the intersection. I looked south and saw the taillights on the vehicle and it was already approaching 13th St NE. Due to the small amount of time it took for the vehicle to travel as far as it did (approximately two blocks in under 10 seconds), it was clear to me the vehicle was exceeding the posted speed limit of 30 mph.

I turned southbound on N. Baker Ave in an attempt to catch up to the vehicle. The vehicle was not slowing and was traveling at a high rate of speed. I accelerated to over 70 mph and the vehicle was still pulling away from me. It was clear to me at this point the driver of the vehicle was attempting to elude me. I notified units that I had a vehicle at a high rate of speed and that I was trying to catch up to it. I activated my emergency lights and sirens. The driver

of the vehicle made no attempt to pull over and was driving at reckless speeds. I accelerated to over 90 mph and was unable to close the gap between my patrol car and the suspect's vehicle. I was approximately 150 yards behind the suspect's vehicle. The vehicle passed by 11th St NE while crossing over into the oncoming lane. There were several parked vehicles along this stretch of N. Baker Ave. There was no traffic and the roadways were bare and dry.

The vehicle continued southbound on N. Baker Ave and blew through the 9th St NE intersection without coming to a stop at speeds in excess of 60 mph. The speed limit for this stretch of roadway is posted 25 mph. I continued to pursue the vehicle as there was little to no traffic. I reached speeds in excess of 90 mph and I was gaining no ground on the vehicle. I watched the suspect vehicle go into the oncoming lane and pass another vehicle traveling in the same direction. The vehicle approached the 3rd St NE intersection and I lost sight of it. I observed Sergeant Mott traveling northbound on N. Baker Ave from 2nd St NE in his patrol car with his emergency lights activated. I arrived at the 3rd St NE intersection and observed the vehicle had left the roadway to the southeast of the intersection and struck a fence. I observed a male running northeast bound away from the driver's side of the vehicle. I angled my patrol car towards him and came to a stop.

I exited my patrol car and ordered the male, who I immediately recognized as Kasey C. Cooper (DOB: 09-01-88), to the ground. I have arrested Kasey several times and he is a well-known drug user/dealer. He was hesitant but ultimately complied with my orders and went to the ground. Sergeant Mott and I took him into custody without further incident. The vehicle was cleared and no one else was located inside.

I returned to Kasey and asked him if he was okay. He stated he was. I read his Constitutional Rights to him from a Miranda card. He stated he understood his Rights. I asked him if he was the only person in the vehicle. He stated he was. I asked him what he was thinking. He didn't reply. He was searched incident to arrest and refused to talk with me further about the incident.

A registration check through dispatch revealed Kasey was the registered owner for the vehicle. A name check through dispatch revealed Kasey had a warrant for his arrest out of East Wenatchee for a DV No-Contact Order Violation.

Based on Kasey's drug history, I requested Chelan County Deputy Hegberg respond with his drug dog (Ruben). Deputy Hegberg arrived and Ruben alerted to the odor of narcotics within the vehicle. The vehicle was towed to the police department by NCW Towing for the application of a search warrant for drugs. The vehicle was secured with evidence tape in our police department parking lot that is monitored by surveillance cameras. Kasey was checked out by Lifeline Ambulance before he was transported to jail. Damage to Grace House's fence was documented.

Based on the above investigation, Kasey was booked at the Chelan County Jail for Attempt to Elude a Police Vehicle and for his warrant. Kasey had \$726.00 cash on him at the time of his arrest. The cash was seized as evidence pending the outcome of the search warrant. Also found in his possession was an ID for Shaena Rothe and an ID for Mickalla Goncalves. Both IDs were logged into EWPD property.

On 10-03-20 at approximately 2014 hours, the Honorable Judge Biggar approved a search warrant that authorized me to search and seize any/all drugs and/or drug paraphernalia from the vehicle.

At approximately 2100 hours, I began the search of the vehicle and Sergeant Garcia witnessed the search. I located several unused baggies, a digital scale, and a box of unused syringes. The items were photographed but they were not seized for evidence as no narcotics were found in the vehicle. The search concluded at approximately 2116 hours. A copy of the search warrant and inventory form was left in the vehicle.

A state accident report for this incident was completed. Photographs from the incident were uploaded to the department server and attached to the report.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATION:

On 10/03/20 at approximately 0444 hours, I was at the Ace Hardware preparing to get gas when I overheard radio traffic from Ofc. Virnig. Ofc. Virnig stated he was behind a silver PT Cruiser traveling at an excess of 90 MPH and he was in pursuit. Ofc. Virnig stated he was south bound on N. Baker Ave.

I immediately began to travel through Columbia Fruit Packers' parking lot towards 3rd St. NE. About the time I was entering the parking lot, Ofc. Virnig announced they were approaching 3rd St. NE. I crossed 2nd St. NE and observed Ofc. Virnig approaching me on N. Baker Ave., but did not see the PT Cruiser. Ofc. Virnig and I approached the intersection of N. Baker Ave. and 3rd St. NE at the same time and he stated the driver "wrecked out and foot bailed."

In the grass portion of the south east portion of the intersection I observed the PT Cruiser stopped after wrecking into the fence which borders the Gospel House property. I positioned my patrol vehicle near Ofc. Virnig's and exited. I observed Ofc. Virnig giving commands to an adult male I immediately recognized as being Kasey C. Cooper DOB: 09/01/88. I have had numerous law enforcement contacts with Cooper throughout my career.

Cooper appeared dazed and was not listening to commands. I attempted to glance into the PT Cruiser, which had its driver's door open, but at the distance I could not tell if anyone else was in the car. I know Cooper is known to carry numerous knives on his person, so I focused my attention on Cooper who was slowly getting down on the ground per Ofc. Virnig's commands.

While Ofc. Virnig was giving commands I approached Cooper and placed him on wrist restraints while he was face down, prone on the ground. As I placed Cooper in restraints, I observed at least three knives in sheathes along Coopers hip and back. Once Cooper was detained, I advised arriving units could slow down. As I was securing the numerous knives, Ofc. Virnig cleared the vehicle with additional responding units. No additional subjects were located with the vehicle which was still running.

I removed Cooper's belt which all the knives and tossed them away from Cooper and I. I began a search for additional weapons and Ofc. Virnig arrived and took over after a short time. I turned Cooper over to Ofc. Virnig and began to take photos of the incident.

It appeared from marks in the roadway, the vehicle did not make the left turn at the intersection and traveled through it in a south east direction and struck the curb. There was a small mound of dirt and grass on the other side of the sidewalk and it was very clear the vehicle was airborne for approximately 20-25 feet. The vehicle continued through the small grass area and collided with a large chain link fence.

I attempted to photograph the car as it rested and items in the vehicle in plain view. Due to the very dark conditions the photos did not reveal much. Those photos were uploaded to the EWPD server.

Ofc. Virnig requested a K9 and Deputy Hedberg with Chelan County Sheriff's Ofc. Arrived and his K9 had a positive alert for narcotics. See Ofc. Virnig's and Dep. Hedberg's reports for further information.

At the conclusion of taking photos I assisted with speaking to the tow truck driver and EMS who had arrived to check out Cooper as requested by Ofc. Virnig.

On 10/03/20 at approximately 1014 hours, Ofc. Mohns and I returned to the intersection and took additional photos in the day light of the location of the incident. Ofc. Mohns uploaded those photos onto the EWPD server.

At the conclusion of those interactions I cleared the call. This concludes my involvement with this incident.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
