Synopsis:	
-----------	--

Narrative:	On April 20th, 2019, at approximately 1524 hours, BLPD officers were dispatched to an Armed Robbery that had just occurred at the Gowireless Verizon store located at 9807 214th Avenue East. A suspect vehicle description was given as a newer, gray Toyota Camery and it was last seen traveling Northbound on 214th Avenue East. I responded for an area check for the suspect vehicle along with Officer Johnston and Officer Koehn. A short time later I heard Officer Green state over the radio that he had a possible visual on the suspect vehicle at Veterans Memorial Drive/SR 410. I began to head towards that direction to assist Officer Green and then heard that he was attempting to stop the vehicle on SR 410 near Myers road.

When Officer Green attempted to stop the vehicle it failed to yield and attempted to flee from him at a high rate of speed. As the vehicle continued to flee from Officer Green in a reckless manner I attempted to catch up to him and the suspect vehicle. At the intersection of Milwaukee Avenue/Valley Avenue the suspect vehicle became boxed in and Officer Green was able to stop the vehicle and initiate a high risk traffic stop on it. When I arrived several seconds later I saw that Officer Green was being assisted by other Officers from the Sumner and Puyallup Police Departments.

I exited my patrol vehicle and initially assisted in getting two civilians clear from the scene. They had been in a large vehicle that was currently in the middle of Milwaukee Avenue. This large vehicle had been backing into a driveway and is the main reason why the suspect vehicle had to stop and was able to be boxed in by Officer Green. After the two civilians were out of the truck and clear from the scene I assisted the other Officers with the high risk stop.

Three suspects were removed from the vehicle and placed in handcuffs and in the back of patrol vehicles. One of the suspects was transferred to me and I placed him in the back of my patrol vehicle. This suspect later verbally identified himself to me as Jesus L. Uriostegui 09/07/99. It should be noted that Jesus was the suspect that I clearly saw sitting in the driver's seat and behind the steering wheel after the suspect vehicle was stopped and the high risk stop was being initiated. I read Jesus his Constitutional Rights from a prepared card at 1559 hours and he told me that he understood and wished to waive them.

Jesus then admitted to me that he was driving the vehicle. He said that he failed to yield because one of his two other brothers (who were both with Jesus in the vehicle) told him not to stop because the brother had warrants out for his arrest. Jesus was crying and begging me to allow him to call his wife. Jesus did not want to talk about the incident that occurred at the cell phone store during the initial armed robbery.

I stood by for several minutes while the scene was processed and I assisted in getting two written statements from the civilians that were in the large truck (Robert and Ashley Swigart). These statement forms were later placed into the BLPD casefile. While at the scene I briefly looked through the open doors of the suspect vehicle. In plain sight on the back seat and floor board I could clearly see two of the stolen cell phones from the Verizon store. The phones were still in their mounting brackets from the display cases. I later learned that the suspects had torn the phones from the display cases. I later cleared the scene and transported Jesus to the BLPD. Once I arrived custody of Jesus was transferred to Officer Koehn for transport to the Pierce Count Jail, along with his brother, Margarito Uriostegui. I then took custody of the other suspect, 17 year old (A).

I transported (A) to Remann Hall where he was booked in for Robbery 2 and Malicious Mischief 2. (A) asked that I call his (A) to let her know where he was. He stated that I shouldn't call his (A) because she did not speak English. When I called the (A) number that (A) had provided to me, I was told that it was currently not a working number and I wasn't able to leave a message.

It should also be noted that during my transports of Jesus and (A), their behavior ranged from semi-cooperative to verbally abusive towards me. Both subjects called me a "Pig" and "Nigger" several times. Jesus said that he looked forward to having and fucking my daughters. (A) stated that he looked forward to me getting killed on-duty some day. Neither one of them seemed to take today's incident very seriously. They made several comments indicating that today's incident was no big deal to them. (A) mentioned that if I not take him to jail today, he would hook me up with the, "Big fish." He described this subject as the main person that runs this scheme that they steal the cell phones for.

Nothing further by this Officer at this time.
