Damage to Vehicle?	No	Damage Type		Approximate Amount	
Vehicle Towed?					

Narrative**Supervisor Summary**

I read the police report, viewed dash cam and body cam video and was monitoring radio traffic at the time of this incident.

Officer Chesney's dash cam and report document the following. His dash cam activates at 0901 hrs. The stolen vehicle is seen parked across from the property he was conducting a patrol check at. He backs up away from the stolen vehicle and requests additional units, believing suspect, Marty, to be inside. At the 2:23 mark suspect, Marty, can be seen running from the house and getting into the stolen car. Officer Chesney advises the suspect is running to the stolen car, activates his emergency lights and pulls in front of the car. At the 2:42 mark Officer Chesney positions his vehicle in front of the stolen vehicle and attempts to block it in the driveway. At the 2:50 mark Marty starts the stolen car, back up and flees over a gravel patch. Officer Chesney does not pursue the vehicle.

Officer Chesney acted within policy and state law and did not attempt to pursue the vehicle.
