Good afternoon, Shira:

The DuPont Police Department received a public information request from you, and your request mentioned:

***"I am requesting the following information for DuPont PD. I received some info from South Sound 911 but they did not have anything besides part 1 of this request. 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law; 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023; 3) Reports summarizing and analyzing the vehicle pursuit data for your agency, produced for internal and/or external publication(e.g. periodic reports required for WASPC and/or CALEA accreditation, newsletters, materials provided to government officials) produced between 2019 through 2023."***

And also:

**"any/all responses to Chief Newman's email to the lawmakers and any data he may have relied upon concerning failure to yield incidents."**

The third installment of records responsive to your request are attached to this email and consist of the following:

**CFS 2019 2020 2021.pdf****GRAPH Calls For Service 2017 thru Current.pdf**

(Note: CFS = Calls for Service)

We will continue to search for records responsive to your request and will provide a response on or before January 16, 2025.

Thank you for your patience while awaiting this information.

If you have any questions, or wish to discuss your request further, please contact our office at (253) 964-7060 or [police@dupontwa.gov](mailto:police@dupontwa.gov).**Diana Hooft**

Hello!

Thanks for this additional installment. To clarify, is this is the data that Chief Newman relied upon? If so, I'm assuming both graphs reflect only "fail to yield" incidents, correct?

Thanks!

Shira
