RE: PUBLIC RECORDS REQUEST of June 07, 2024, Reference # R001561-060724

Dear Heather,

The WSCJTC received a public records request from you on June 07, 2024. You requested the following:

"Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the records described below that are in the possession of the Criminal Justice Training Commission. I request that the search for records include employee correspondence. The records I am seeking are:

- WASPC accreditation standards from 2015 through 2024;
- WASPC model policies from 2015 through 2024; and
- WASPC guidelines/policies published between 2015 and 2024 related to vehicle pursuits, including, but not limited to, conducting vehicle pursuits, documenting vehicle pursuits, maintaining records on vehicle pursuits, and summarizing vehicle pursuit data.

This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for processing my request."

The first installment of records responsive to your request is available to you now in the WSCJTC Records Center. Click the link below this message to login to the Public Records Center and retrieve the records.

I've provided all records I can find conducting an network side search. The following installments will be records from staff for any records they possess.

We estimate the next installment to this request will be available on or before 8/23/2024. If public records become available in advance of this estimate we will contact you promptly. Conversely, if the agency encounters a need to extend our estimate, we will contact you promptly with a revised estimated date.

Please be aware that if you do **not** download your provided installment of records within 30 days after today's date, the WSCJTC will inform you about the abandonment of your request and close your record request.

Thank you for your patience in awaiting this information. If you have any questions, please contact us through the Public Record Center.

Sincerely,

Derek Zable
