Narrative

STOLEN/RECOVERED/DAMAGED/VALUE:

1. 2006 Green Nissan Altima

EVIDENCE:

1. Body cam (Leyde)
- 2.. Body cam (Virnig)
3. Pictures

SUSPECT(S):

1. Rose A. Hernandez DOB 8/22/1990

CHARGE(S):

1. Possession Of Stolen Vehicle 9A.56.065
2. Felony Eluding 46.61.024
3. DWLS 3rd 46.40.342.1C

DOMESTIC VIOLENCE:

REQUIRED VICTIM QUESTIONS: (Type in Victim's responses)

1. Are there any firearms or ammunition in the home that are owned or possessed by either party?
2. Does the alleged abuser have access to any other firearms located off-site? Where?
3. Does the alleged abuser have an active concealed pistol license (CPL)?

OTHER REQUIRED INFORMATION:

1. What is the relationship of the parties involved?
2. Do the parties currently live together or have they lived together in the past?
3. Do the parties have children in common?

INVESTIGATOR'S NAME(S):

1. L. E Leyde

INVESTIGATION:

The named defendant Rose Alexandra Hernandez DOB 8/22/1990 , has been arrested for the crime(s) Possession of a stolen vehicle 9A.56.065, Felony Eluding 46.61.024 and lesser offense of Driving While License Suspended 3rd Degree alleged to have been committed on 02/10/2021, in Douglas County, Washington.

I believe that the defendant committed the alleged crime(s), based on the following:

On February 10, 2021, at approximately 0930 hours RiverCom sent out an ATL on a stolen green Nissan Maxima Washington license BXF5801 out of Wenatchee Police Department. At approximately 1110 hours I was northbound on N. Baker Ave approaching 13th ST NE within the city limits of East Wenatchee. I observed a light green/gray Nissan Maxima southbound on N. Baker Ave from 1300 block. After several seconds, I decided to turn around and catch up to the vehicle and check to see if it might be the stolen Nissan. I was now about three blocks behind the vehicle. I turned and observed the right turn signal come on the vehicle and so I thought the vehicle was going to make a left turn onto 11th ST NE. I was still at the 1200 block of N. Baker Ave. The turn signal went off and the vehicle continued southbound. I accelerated in an attempt to catch up with the vehicle. I observed the vehicle make a right turn onto 9th ST NE from N. Baker Ave. I was still about a block behind the vehicle. The vehicle did use its right turn signal but did not come to a complete stop. Seemed rather rapid. I had a feeling that this vehicle might be the stolen vehicle out of Wenatchee. I caught up with the vehicle as it pulled to a stop in the lane to go southbound on State Route 28B(SR28B) from 9th ST NE. I pulled up just to the right rear of the vehicle in the lane next to the vehicle. I requested a registration check for stolen with RiverCom and then looked at my notebook that I had written down the stolen vehicle license on. The license I had written in my notebook matched the stolen vehicle license ATL so I advised RiverCom I was behind the stolen vehicle and we were making a left to go into Wenatchee.

After the vehicle made a left turn onto SR28B, I decided to attempt to stop the vehicle so it would not go into Wenatchee. I had been behind and beside the vehicle for awhile prior to the attempted stop to see that it was occupied by a lone female. I activated my lights and the vehicle did pull over to the shoulder and slow. The time was now 1113 hours. I advised RiverCom I was attempting to stop the vehicle. I pulled onto the shoulder behind the stolen vehicle and took off my seatbelt. The vehicle entered southbound traffic again and I put my seatbelt back on. Vehicle approached the round-a-bout at 5th ST NE and SR28B and slowed for traffic. Vehicle then entered the George Sellar bridge westbound. My emergency lights and siren were activated. The vehicle moved from the right lane to the left lane and sped up to about 80mph in a posted 40mph zone. When she was at this speed, there was no traffic in front of her until she approached the traffic light at State Route 285 and Mission ST. I heard Officer Virnig request RiverCom notify Wenatchee PD. The vehicle slowed and made a left turn onto Mission St against a red traffic light. There was no traffic to her left as she entered the intersection. She made the turn from the right turn onto Mission St lane only. I made my left turn onto Mission St after observing that there was no traffic coming. Vehicle now southbound on Mission with me right behind her. We reached speeds of about 60mph in a posted 30mph zone. I could see the traffic light at Crawford and Mission ST was red and that now became a concern. I did notice that the vehicle slowed to about 40mph and the brake lights did come on. The vehicle cleared the intersection and I slowed and proceeded through the intersection after assuring there was no traffic coming. Officer Virnig was now calling out locations. Speeds so far had been too fast to perform a PIT. As we approached Judkins and Mission, the vehicle speeds slowed below 40mph. I decided to perform a PIT at this time since we were at a speed below 40mph. I could see there was no traffic approaching northbound on Mission St. I moved to perform the PIT on the left side of the running vehicle and noticed her left turn signal came on. I attempted a PIT however I was unsuccessful and the vehicle did spin out sideways and the driver was able to get the vehicle under control. Officer Virnig went around me on my left and was now behind the vehicle. We were doing about 60mph down Simmons St and Officer Virnig was just to her left rear quarter panel. The vehicle slowed for a 90 degree curve and Officer Virnig performed a PIT successfully on the vehicle. Officer Virnig and I conducted a high risk stop on the driver who refused to

get out of the vehicle. Eventually other officers arrived and she was taken into custody without incident.

I placed the driver into handcuffs and they were double locked. I escorted her to my patrol car and she was placed in my patrol car after she was searched. She was talking about strange things including, "brown sugar". She made little sense and seemed to be suffering from some mental health issues. She was advised of her rights at 1125 hours by Officer Virnig. The registered owner was called to come and get his vehicle. I cleared the scene and transported the driver Rose Alexandra Hernandez DOB 8/22/1990 to CCRJ. Access was down so I was unable to get a driver return on the driver. After clearing the jail, RiverCom advised Hernandez was suspended 3rd degree. The defendant had no identification.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATOR'S NAME(S):

1. Officer I. Cooper 1DO11

INVESTIGATION:

On 2/10/21 at approximately 1113 hours, I was working uniformed patrol for the city of East Wenatchee in a marked patrol vehicle, equipped with emergency lights and sirens. Officer Leyde dispatched over the radio that he was behind a stolen vehicle, later confirmed to be a green Nissan Altima (WA BXF5801), at 9th Street NE and Valley Mall Parkway. Officer Leyde advised he was in pursuit with the vehicle and they were travelling towards the George Sellar Bridge.

I immediately activated my emergency lights and sirens and engaged in the pursuit. I was the number 3 vehicle in the pursuit. East Wenatchee officers followed the vehicle westbound across the George Sellar Bridge into Wenatchee and then southbound on S Mission St. The Altima turned eastbound on Simmons St. Officer Virnig advised he would engage in a PIT maneuver. At approximately 1116 hours, Officer Leyde advised the Altima was stopped and a single occupant was held at gunpoint at Simmons St. and Judkins St.

I arrived shortly after and noticed the Altima was facing Officer Leyde's and Officer Virnig's patrol vehicles. I set my patrol vehicle behind the Altima into a PIN position. I activated my body camera to record and joined Officer Virnig and Officer Leyde in the high risk stop. I withdrew my service pistol into a low ready position.

Officer Virnig called out commands for the suspect to step out of the vehicle. The suspect was identified to be Rose A. Hernandez (DOB 8/22/90). Hernandez stepped out of the vehicle and was shortly detained in handcuffs without no further incident. The vehicle was cleared and no other subjects were found.

I cleared from the location back en route to the city limits of East Wenatchee. I had no further involvement with the case.

End of report.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATION:

On 02-10-21 at about 1113 hours, I was on patrol in uniform and driving a marked patrol car for the City of East Wenatchee.

I heard Officer Leyde advise over the radio he was behind a stolen vehicle at 9th St NE and Valley Mall Pkwy. He advised it was the vehicle stolen out of Wenatchee earlier this morning, a green 2006 Nissan Altima (WA/BXF5801). I responded to assist. Officer Leyde advised they were southbound towards the George Sellar Bridge (GSB) and that he was going to attempt to stop the vehicle. I observed Officer Leyde with his patrol car lights activated behind the vehicle in the 500 blk of Sunset Hwy. They were on the bridge approach. I accelerated to catch up. Officer Leyde advised the vehicle was taking off and that he was in pursuit.

I became the number two pursuing patrol car in the pursuit about halfway over the GSB approaching Wenatchee. The suspect was traveling at about 80mph. Traffic was heavy on the bridge. The roadways were bare and dry, and the weather was clear. I advised Officer Leyde I would take over radio traffic as I was the number two pursuing patrol car.

We approached the S. Mission St/GSB traffic light. The light was red to turn south. The suspect slowed and proceeded against the red light and turned southbound on S. Mission St. The suspect then accelerated to over 60mph on the approach to Crawford Ave. Traffic was medium at this time. The suspect proceeded southbound on S. Mission against the red light at Crawford Ave. The suspect approached Simmons St and slowed to turn eastbound. Officer Leyde attempted a PIT maneuver as the suspect turned the corner. Officer Leyde made contact with the vehicle but the suspect was able to power out and accelerate eastbound on Simmons St.

I took over as the lead pursuing patrol car at this time. I paced the suspect eastbound on Simmons St in excess of 60mph. I set up along the driver's side rear quarter panel of the vehicle to get in position for a PIT maneuver as I knew there was a hairpin corner coming up that the suspect had to slow down for. The hairpin corner turns into Judkins St. The suspect slowed to about 25mph to make the turn. I performed a successful PIT maneuver at this time forcing the vehicle to spin around and become disabled. From there, I exited my patrol car with my service pistol drawn and at a low ready position. Officer Leyde arrived in his patrol car. We were set up in V formation angled at the driver. I was staring the driver in the face. I immediately recognized her as Rose A. Hernandez (DOB: 08-22-90). I have known Rose for years. She immediately recognized me and called out my name. I told her to keep her hands up and to turn the vehicle off.

Officer Leyde and I waited for additional units to arrive. Officer Cooper arrived and parked his patrol car behind the vehicle to block her in from leaving. I activated my body camera and told Rose she was being audio and video recorded. I continued to talk to her and attempted to keep her calm. I know her to struggle with drug use and to have mental health issues. WPD Officers Gonzalez and Cornelio arrived to assist. Rose was called out of the vehicle and was ordered to her knees. We all approached and took control of her. Officer Leyde placed handcuffs on her and escorted her to his patrol car.

A short while later, Officer Leyde told me Rose wanted to talk to me. I asked him if her rights have been read to her. He stated they haven't. I spoke with Rose in the back of Officer Leyde's patrol car. I read her Constitutional Rights to her from a Miranda card. She kept talking over me and would not acknowledge her rights. She wasn't making any sense and I couldn't piece together what she was trying to tell me.

Officer Leyde transported Rose to the Chelan County Jail. I stayed with WPD Officer Cornelio until the vehicle was returned to the owner, identified as Rene Navarro-Martinez (DOB: 07-23-79). Rene went through the vehicle and nothing dangerous or illegal was located. He took possession of the vehicle and I cleared from the scene. It should be noted no person was injured in this

incident and there was minor damage to the vehicle's involved. See Officer Leyde's report for charges.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
