## Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Bradley Noble was operating a confirmed stolen motor vehicle in a reckless manner, hitting several vehicles. The vehicle was involved in a burglary call in the City of Puyallup and eluded Police. After terminating pursuit of the vehicle, Buckley PD initiated pursuit of the vehicle just before it crashed. Bradley was taken into custody by Buckley PD.
-----------	---

Narrative:	On September 24th, 2019 at approximately 1824 hours, I was in the left turn lane of west bound Sr410 E to go south bound on Sky Island Dr E. The lights for Sr410 E were red with traffic from Sky Island Dr E entering the intersection when I saw a beige/gold Lexus sedan driving on the sidewalk coming east bound on Sr410 E. The vehicle was driving at a high rate of speed and did not slow down for the traffic entering the intersection from Sky Island Dr E. I estimate the vehicle was going approximately 60 MPH. The vehicle nearly struck several vehicles and almost lost control. The vehicle swerved towards my patrol vehicle and the other vehicles in the turn lane, nearly striking us. As the vehicle drove by me, I could see it was occupied by a white male driver that was wearing a black hoodie.

Incident No. 1926701889.1 **COPY** Page 9 of 10

I activated my emergency lights and siren as the vehicle continued east bound on Sr410 E at a high rate of speed. I turned around and observed the vehicle did not have a rear license plate and observed a trip permit in the back window. I advised dispatch that I was trying to catch up to a reckless vehicle and provided my location as well as the description of the vehicle. Dispatch advised this vehicle had just eluded the Puyallup Police Department and was involved in a possible burglary (Puyallup PD Case No. 19-267-01871).

Traffic on east bound Sr410 E was slowing and coming to a stop in front of the vehicle. The vehicle drove on the right shoulder, hitting the guardrail as it passed the stopped traffic. As traffic was moving to the right for my lights and siren, the vehicle quickly moved over to the left shoulder while cutting off vehicles. The vehicle was hitting / scrapping the center barrier as he passed the stopped traffic.

Ahead, Officer Pomeroy with the Fife Police Department heard over the radio of the vehicle taking off on me and deployed stop-sticks just west of the intersection of 192nd Ave E. It appeared the vehicle had struck the stop sticks.

Due to traffic slowly moving over to the right, the vehicle was able to get a good distance ahead of me. When I did finally clear the intersection at 192nd Ave E, I could see the vehicle was approaching 198th Ave E at a high rate of speed. As I cleared the 195th Ave E intersection, I lost sight of the vehicle as it crested over the hill at 204th Ave E.

Sgt. Boyle advised over the radio that the vehicle just passed him at a high rate of speed going east bound on Sr410 E at the 21900 block.

Several Pierce County Sheriff's Department Deputies joined in the pursuit with Sgt. Boyle.

I caught up to the pursuit with Sgt. Boyle as it approached the 23400 block of Sr410 E. Sgt. Boyle advised over the radio that he lost sight of the vehicle as it continued at a high rate of speed towards Buckley, Washington. Sgt. Boyle terminated the pursuit about the 24500 block.

Dispatch advised a few minutes later that Buckley PD was out with the vehicle about the 28700 block after it crashed into a ditch and the driver bailed out of the vehicle.

Upon arrival, Buckley PD had the driver detained and was identified as Bradley Noble by his Washington State Identification Card (Buckley PD Case No. 19-267-01901). I positively identified Bradley as the driver of the vehicle from when he passed me at Sky Island Dr E.

I advised Bradley of his Miranda Warnings from a pre-printed card to which he verbally acknowledged he understood with "yes". I asked Bradley several times if he was willing to speak to me but he would not say anything. The only thing Bradley would say was that he wasn't driving the vehicle.

Buckley PD ran the VIN on the vehicle and found it was a confirmed stolen vehicle out of Renton, Washington (Renton PD Case No. 19-10748).

The trip permit in the back window was altered and has been used multiple times as I could see different dates written on it.

Michelle Kreidler arrived at the location saying she witnessed the vehicle driving in a reckless manner on Sr410 E between Bonney Lake and Buckley. Michelle provided a written statement on what she observed.

South Sound 911 Records confirmed Bradley is I.D ONLY and his driving status is Suspended/Revoked 3rd Degree. Bradley also had the following warrant for his arrest;

Seattle PD - Cause No. 990421271 - Vehicle Prowling - \$2,500 Bail.

Bradley was transported to Good Samaritan Hospital by ambulance.

See Buckley PD and Puyallup PD general reports for information on their investigations.

Dispatch advised of two hit and run victims waiting for contact that occurred just west of the 192nd Ave E intersection.

Officer Marty responded to the location and contacted Virginia Goodwin (WA/AKZ1212) and Penny Richmond (WA/BNK6856). Both drivers advised their vehicles had been struck by the suspect as he was cutting through traffic to get away. No injuries were reported and minor damage to both vehicles. See Officer Marty's supplemental report and photographs taken for further information.

A Sector Collision Report was completed.

Officer Olinger with Puyallup Police Department advised me that Bradley was cleared medically and booked into the Pierce County Jail. I faxed a booking sheet to the Pierce County Jail to add the Bonney Lake PD charges.

The photographs taken were later transferred to the Bonney Lake PD X: Drive.

The written statement and booking sheet were placed into the case file.

Nothing further.

Officer B. Mahlum #00476  
Bonney Lake Police Department
