INVESTIGATION:

On 6/6/2023 at about 1852 hours, while I was on duty for the City of East Wenatchee, I, Officer Knutson, was on patrol in a marked East Wenatchee police vehicle. At the time I was wearing full uniform consisting of an exterior vest with "Police" on the back, a badge on the upper left front, and "East Wenatchee Police" patches on both shoulders.

I was on patrol when I observed a vehicle a 2018 KIA STINGER with WA plate BYA1780 pull into the parking lot at 260 HIGHLINE DR; COASTAL FARM AND RANCH. The vehicle looked familiar and so I ran the registration and determined the vehicle was registered to GUSTAV MICHAEL HUEBEL (DOB 10/27/89) who was driving while license suspended 3rd and the registration expired on 06-01-2023.

I observed a male go into COASTAL who was later identified as NICHOLAS WALTER ZACHMAN (DOB 10/10/95 1G-Personal Info)

I knew from my experience and knowledge there has been a lot of thefts from Coastal at the time I was there. I also observed the vehicle go to a far northeast corner of the parking lot even though there were numerous parking spots closer to the building. I would estimate the vehicle was about 500 feet from the entrance. I also observed the vehicle was occupied by 3 subjects after ZACHMAN had gotten out of the car. I thought ZACHMAN was going to steal something since the vehicle was parked such a distance away.

I decided to drive by the KIA and so I drove in front of the vehicle (about 10-15 feet from where the driver was) and could observe who appeared to be the registered owner, GUSTAV MICHAEL HUEBEL (DOB 10/27/89) in the front passenger

(Rivercom had sent a picture). I could also observe a possible female driver later determined to be the suspect, KAYLA RENEE HAGER (DOB 08/28/94). The driver had a large arm tattoo (arm was draped on steering wheel) that I could see while I passed by.

I went towards the front of the store, and I observed the KIA start to drive away. I went back to the KIA and waited for it to enter the roadway on HIGHLINE Dr. I knew the registration of the KIA was expired as well as the registered owner was driving while license suspended 3rd.

As soon as the KIA got onto HIGHLINE DR heading northbound I activated my overhead emergency lights. The KIA continued and I then activated my siren as well (about Pace DR) and the vehicle continued to drive without stopping.

The vehicle made no attempt to pull over. I would estimate we traveled about 1000 feet or so from the entrance of Coastal to the entrance of Safeway with emergency lights and at least 500 feet with siren included.

The KIA then turned into the parking lot of Safeway. This was a very busy time for shopping and there were customers/pedestrians everywhere going in different directions. The Customers all looked towards us to see what was going on. I did not want to put anyone in danger and I had to stop to avoid customers.

The vehicle was driving aggressively (at a speed of about 15-20 mph in a crowded parking lot) and barely missed a couple of customers (what looked like about 10 feet) and then the vehicle took off towards the exit onto Grant rd. next to the Safeway gas station. Also the parking lot was very crowded at this time. I shut off my lights and siren at the entrance to the parking lot and discontinued to follow. I knew at this point the driver knew I was trying to initiate a traffic stop.

I decided to go back to Coastal where they left ZACHMAN. I contacted ZACHMAN inside Coastal. ZACHMAN identified himself and stated the vehicle was Gus's vehicle (later determined to be GUSTAV). ZACHMAN stated Gus was driving (even though it appeared to be a female). ZACHMAN stated CJ was also in the car. ZACHMAN stated the female he did not know.

I was looking through involvement's and checking out the address of the registered owner GUSTAV MICHAEL HUEBEL at [REDACTED] 1G-Personal Info when I was contacted by Officer RUIZ with Wenatchee Police Department.

Officer RUIZ stated he had a case 23W09406 a assist agency where he recovered a stolen vehicle at 1050 N MILLER ST; WALGREENS WEN and the female that was involved was KAYLA RENEE HAGER (DOB 08/28/94). Officer RUIZ stated the others were also involved were ZACHMAN, HUEBEL, KALAS. I was advised the KIA was

involved as well. Officer RUIZ confirmed the female had a tattoo and stated he has body camera coverage that I could review at WPD.

I went to WPD and watched Officer RUIZ's body camera coverage and determined the female was HAGER.

I also had Officer GREGORY also look at HAGER's picture because he had seen the driver as well. Officer Gregory stated to me he also believed her to be the driver.

I put an Attempt to Locate out for the vehicle and HAGER.

At the time of this report, we have not located her or the vehicle.

Based on the facts of this case, I believe I have PC for Eluding on KAYLA RENEE HAGER (DOB 08/28/94). Based on the fact I was behind the KIA I believe she was driving based on her tattoo (draped on the steering wheel) and I had seen a female in the driver's seat. I also know based on my investigation Officer RUIZ had contacted her the day prior with the other males involved. I request charges be filed and I will attach PC to this case.

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
