Narrative

Supervisor Summary

I have reviewed the AXON video and report pertaining to this incident, in addition to speaking with Sgt Rauback. Sgt Rauback noted in his video that due to his use of his radio, he was not able to deactivate his emergency lights as quickly as he would have liked. In review of video, Sgt Rauback deactivates his lights once completing his radio traffic. He also turns off of the path of the suspect once traffic and a reasonable exit became available. Sgt Rauback appears to be within policy in this incident.
