Synopsis:	
-----------	--

Narrative:	<p>On April 20th, 2019 at approximately 1525hrs, I, (Officer Todd Green) was working uniformed patrol and driving a fully marked patrol vehicle for the City of Bonney Lake. I, along with other Bonney Lake PD Officers were dispatched to an armed robbery that just occurred at the Verizon Wireless store located at 9807 214th Ave E. Dispatch advised that three Hispanic males just entered the store, threatened employees and customers with pepper spray, then proceeded to take display phones from the case. The three men then entered a grey Toyota Camry 4 door and left north bound on 214th Ave East. The vehicle was described a grey in color, with a large basketball size dent on the rear of the vehicle.</p>
------------	---

I was at the police department at the time of this call and had a slightly delayed response time. Officer Koehn, Wolschleger and Johnston were in the area of 214th and stated they were unable to locate the vehicle. I exited the police department parking lot and traveled eastbound on Veterans Memorial Drive. As I approached Veterans Memorial Drive and Locust Ave, I saw a vehicle matching that description traveling westbound on Veterans Memorial Drive. The vehicle was occupied by three Hispanic males and I could see a very recognizable, (basketball size) dent on the right rear bumper of the grey Toyota Corolla.

I turned my patrol vehicle around and caught up to the vehicle at Veterans Memorial Drive and Main Street. I advised dispatch I was with the vehicle and gave the plate of WA BHC0172. The vehicle made a right turn onto WB SR410 and began traveling down the hill in the right lane. As the vehicle reached Myers Rd, I activated my emergency lights and attempted to stop the vehicle at that location. The vehicle pulled to the shoulder on the right side of the roadway and came to a complete stop on the shoulder. About five seconds after stopping, the vehicle accelerated at a high rate of speed and pulled back into traffic. The vehicle crossed all the way to over to the left side of SR410 and reached speeds of 80mph as it traveled WB on SR410 leaving the City Limits. I activated my siren and advised dispatch that I was in pursuit of the suspect vehicle. Traffic was moderate during the initial part of the pursuit. The weather was partly cloudy, the roadway was completely dry and the entire pursuit took place during daytime hours.

The suspect vehicle continued WB on SR410 and was weaving in and out of traffic. The suspect nearly collided into numerous civilian vehicles as it continued WB on SR410. As the suspect vehicle approached the bottom of SR410 near 166th, it crossed all the way over to the right side of the roadway, attempted to run a civilian vehicle off the roadway. The suspect looked as if he was going to take the 166th off ramp, then shot back over to the far left side of the roadway, nearly striking a civilian vehicle. The suspect vehicle continued on WB on SR410 towards Valley Avenue at speeds approaching 100mph. As the suspect vehicle approached Valley Avenue, it exited SR410 on the off ramp and went through the red stop light at Valley Avenue at speeds close to 65mph. The suspect vehicle never attempted to slow for the stop light and it became quite obvious that the driver of the vehicle had no care for the safety of the citizens around him.

After running through the red light, the suspect vehicle continued back onto WB 410 at speeds between 80mph and 100mph. As the suspect vehicle approached Traffic Avenue, a Pierce County Deputy attempted to utilize stop sticks to disable the vehicle. The driver of the suspect vehicle was able to miss the stop sticks and continued WB on SR410. During the entire pursuit, the suspect vehicle would cross multiple lanes of travel and attempt to run civilian vehicles off the roadway.

The suspect vehicle continued SB onto SR167 towards Puyallup. During this stretch, the suspect reached speeds of 100 mph and almost collided into the rear of a semi truck. The vehicle reached the end of SR167 then made a right turn onto NB SR161. The suspect vehicle then made a sharp right turn onto Valley Avenue towards Sumner. I continued to pursue the vehicle on Valley Avenue at speeds of 60mph. The vehicle continued on Valley, then made a sharp right turn onto Milwaukee Ave.

The suspect vehicle attempted to travel SB on Milwaukee Ave, but was unable to continue due to a large truck and trailer that was completely blocking the roadway. The suspect vehicle came to a sliding and complete stop in the roadway, then started to travel backwards in a further attempt to flee. At that time, I drove my vehicle into the drivers side of the suspect vehicle in an attempt to pin it in so it could not travel any further. After doing so, I exited my patrol vehicle and conducted a felony stop on the car. I drew my duty weapon and ordered the suspects to place their hands in the air. All three suspects placed their hands in the air and I stood by until additional officer arrived on scene. Approximately 20 seconds later, officers from Bonney Lake, Puyallup, Sumner and the Pierce County Sheriffs Office arrived on scene and assisted with removing the three suspects from the vehicle and placing them in custody.

I was able to identify the driver as Uristegui, Jesus L (09/07/1999). Because of the position I was in and my vehicle having the entire drivers side blocked, I did not assist in taking the three into custody as they exited through the passenger side. Officers Koehn and Wolschleger took custody of the three suspects and identified them.

Bonney Lake Police Department
Supplemental Report

Jurisdiction Agency: Bonney Lake Police Department

Incident No. 1911001108.3 **COPY** Page 4 of 4

After the three suspects were removed from the vehicle, I could clearly see 3 to 4 cell phones inside the passenger compartment. I secured the vehicle and waited for Cascade Towing to arrive on scene. Cascade Towing arrived on scene and transported the suspect vehicle to the Bonney Lake Police Department where it could be secured pending a search warrant. My patrol vehicle was also towed back to the police department due to the damage sustained in the collision.

I rode with Cascade Towing back to the police department and assisted with placing it in the locked evidence yard. I placed evidence tape on all doors to the vehicle. The keys were placed in Detective Sgt Hoag's mailbox until a search warrant can be completed.

I took photos of the scene where the pursuit ended. The 8 photos were uploaded to the departments X-Drive.
