Subject: Public records request

Hello,

Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records:

Monthly counts of vehicle pursuits involving the Skagit County Sheriff's Office from 1/1/19 through 11/30/23.

Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thanks for your assistance!
