Dear Heather Kelly,

An installment of records has been released on your request [Request Number: PD-2024-188](#). The remaining records are CAD records and body worn camera video records. Please advise if these are records you need.

Thank you,

Hi Alicia,

Sorry for the delayed reply. I was traveling and am just now going through email. I would like the CAD records please, but not the body cam footage. Thanks!

Best,
