Bonney Lake Police Department Incident Report

Jurisdiction Agency: Bonney Lake Police Department

Incident No. 2300600245.1 COPY Page 10 of 12

Investigative Information

Means:	Motive:
Vehicle Activity:	Direction Vehicle Traveling:

Synopsis:	Armed robbery to a residence. Suspects identified through investigation. No suspects apprehended. Forwarded to investigations.
-----------	--

Narrative:	<p>This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my body worn camera, as it was recording at the time of this incident.</p> <p>On January 6, 2023 at approximately 0350 hours, Bonney Lake Police Officers were dispatched to an unknown trouble in the area of the 9500 block of 205th Ave E. At the time of dispatch, I (Officer T. Graham) was in my department issued patrol vehicle equipped with overhead emergency lights, an audible siren, and "POLICE" decals on either side of the vehicle.</p> <p>As I began to enter in the area of 208th Ave E and SR 410 E, dispatch updated call type to an armed robbery that had just occurred. Dispatch further advised that the reporting party/victim, identified as Sabrina G. Blake (DOB: 4-16-2004), stated "***JUST ROBBED CIT AT GP** LEFT IN STOLEN CAR TOWARDS SR 410" at approximately 0353 hours. The next note in the call stated "LEFT IN WHI NEWER HYUND 4DR LIC#C???"</p> <p>It was later learned that Sabrina and her boyfriend, identified as Marcus M. Ceja (DOB: 2-15-1999) were both assaulted and held at gunpoint as four subjects entered the house and stole their brand new PlayStation 5 and remote control. See Sergeant Scott's report for established Probable Cause.</p> <p>While at the light to go north across SR 410 E on 208th Ave E from the 9900 block, I observed a white four door sedan turn from southbound 208th Ave E onto westbound SR 410. Due to the sedan being the same color and style of the described suspect vehicle leaving the proximity area of the call, I turned westbound on SR 410 E to attempt to obtain a license plate of the vehicle.</p> <p>After turning onto SR 410, I observed the vehicle traveling at what appeared to be a normal rate of speed westbound SR 410 passing 202nd Ave E. As I accelerated in my patrol vehicle, I observed the vehicle still traveling westbound. As I approached the 20000 block of SR 410 E, I observed the vehicle turn north bound on 198th Ave E.</p> <p>I momentarily lost sight of the vehicle as I turned onto 198th Ave E following the vehicle. After turning onto northbound 198th Ave E, I observe a vehicle stopped at the intersection of 198th Ave and 96th St E running with its lights off and the right turn signal activated. As I passed the vehicle, I observed that it was a white sedan.</p> <p>I immediately began to make a u-turn in the gravel area on 198th Ave E at the 9500 block. As I began to turn around, I activated my emergency lights. As this happened, I observed the vehicle activate its lights rapidly accelerate causing the tires to spin on the wet roads and turn southbound onto 198th Ave E and proceed to turn westbound on SR 410.</p> <p>After seeing the vehicle peel out, I activated my emergency siren to attempt to indicate to the driver that I was attempting to conduct a traffic stop of the vehicle. As I got onto westbound SR 410, I observed the vehicle was already approaching the intersection of SR 410 and 195th Ave E in the number 3 lane passing the only other vehicle on SR 410 traveling westbound.</p> <p>I accelerated my patrol vehicle and observed that I was accelerating past 80mph. Officer Gould was directly behind me and advised dispatch that he and I were in pursuit of the vehicle. According to Washington State House Bill 1054, Armed Robbery is one of the pursuit authorized crimes. Sergeant Alfano was on duty and monitoring the pursuit that had initiated.</p> <p>As I continued to pursue the vehicle westbound on SR 410, the vehicle appeared to be pulling away from me at the 192nd Ave E and SR 410 intersection as I was at the 19300 block of SR 410. I observed that I was traveling at approximately 95mph. There was minimal traffic on the roadway due to the time of day and I did not believe there was a threat to the public to terminate the pursuit.</p> <p>I continued westbound on SR 410 passing the 18900 block of SR 410 E and observed the vehicle now in the number 1 lane. I continued to accelerate to approximately 105mph and observed the vehicle was still pulling away from me. As I passed the 18300 block of SR 410, I observed the suspect vehicle had activated their brake lights and were moving from the number 1 lane to in between the number 2 and number 3 lanes (number 3 lane being a right turn only lane).</p>
------------	--

Bonney Lake Police Department Incident Report

Jurisdiction Agency: Bonney Lake Police Department

Incident No. 2300600245.1 COPY Page 11 of 12

The suspect vehicle passed on the right shoulder of the number 2 lane passing a vehicle that had been stopped at the light for SR 410 and Veterans Memorial Dr E. After proceeding to by-pass the red light of the intersection, the vehicle accelerated at a rapid and high rate of speed and continued westbound on SR 410 E.

As I cleared the intersection of SR 410 and Veterans Memorial Dr, I observed the vehicle was almost to Myers Rd still traveling westbound on SR 410. Just before passing Myers Rd, the vehicle deactivated all lights for a few moments before reactivating them due to the lack of street lights for the roadway. At this time, there were no other vehicles that I could observe traveling westbound on SR 410.

I attempted to catch up to the vehicle and observed that as I approached the 17500 block of SR 410, I was traveling at approximately 110 mph. At this time, Sumner Police Department Officers advised over the Police radio that they had stop sticks out at SR 410 E and 166th Ave E.

While passing the 17100 block of SR 410, I observed the vehicle passing approximately the 16800 block of SR 410. At this time there was minimal traffic on the roadways who were yielding to the right. The suspect continued to drive in between the number 1 and number 2 lane straddling the white hash lane divider marks.

I advised Sumner PD Officers that the vehicle was approaching and observed the vehicle entering and staying in the number 1 lane as it approached the 166th Ave E off-ramp. After I passed the 166th off-ramp, I observed the vehicle drive off the roadway onto the grass/gravel median in an attempt to avoid the stop sticks. The vehicle appeared to still strike the stop sticks that had been put out by Sumner PD Officers despite their efforts to avoid them.

As I approached the stop sticks, I had to slow down as there was a sedan that was attempting to move over due to the Sumner PD officer being on the right shoulder of the highway. After passing the 166th on-ramp, I observed the vehicle had again rapidly accelerate in the number 1 lane.

When the vehicle approached the 15700 block of westbound SR 410, the lights were again deactivated and changed lanes to the number 3 lane and appeared to be getting onto the off-ramp at Valley Ave.

As I approached the intersection from the off-ramp, I was unable to locate the vehicle and turned northbound onto Valley Ave from SR 410 in an attempt to relocate it. A few moments later, Sergeant Alfano advised over the Police radio that he was flagged down by a citizen who was waiting at the intersection of Valley Ave and the SR 410 off-ramp. The citizen advised that the suspect vehicle had blacked out their lights and proceeded to get back onto the SR 410 westbound on-ramp proceeding through the intersection.

A few moments later, at approximately 0359 hours, dispatch advised that a Puyallup Police Department Officer observed the vehicle exiting off SR 410 onto the Main St exit. A few seconds later, he further advised that he observed people bailing on foot from the vehicle all of which appeared to be juveniles. The juveniles proceeded to exit the vehicle, which had come to a stop on the right side of Traffic Ave/Main St. off-ramp, and run northbound on Traffic Ave.

At approximately 0400 hours, I arrived to the unattended vehicle where a Pierce County Deputy was already on scene. The Deputy and I cleared the vehicle finding no one inside or near the vehicle. Officers from Sumner Police Department, Puyallup Police Department, Bonney Lake Police Department, and Deputies from Pierce County Sheriff's Office began to set up containment as a Puyallup K-9 Officer was en-route to attempt to track the suspects who had fled.

See Officer Gould and K-9 Officer Jendrick's supplemental reports for details of the K-9 track.

While Officers were conducting the track, I attended to the vehicle bearing WA/LIC: CFD4730. While walking around the vehicle, I observed the front driver side tire had a spike from the stop stick logged into the tire. I also observed that the passenger side door was left open. I looked into the vehicle from the outside and observed extensive damage to the ignition column of the vehicle. I also observed that the passenger side back window appeared to have been smashed in. On the passenger side rear seat was a flathead screw driver. Based on my training and experience I know that people who steal vehicles, often utilize flat head screw drivers to gain access into the vehicle and then use it to start the vehicle.

While looking through the back passenger side window from the outside of the vehicle, I observed a white PlayStation 5 with a single remote controller on the floorboard directly behind the driver seat. I conducted a records check of the vehicle and learned that the vehicle was clear NCIC/WACIC and was registered to Dickson Thomas (DOB: 3-1-1990) with an address in Auburn. I requested South Sound 9-1-1 Records to dispatch an Auburn PD unit to attempt to locate the registered owner as I believed the vehicle was possibly an un-reported stolen vehicle.

Sometime later while still on scene, Mackrineld Jabememej (DOB: 11-7-1983) contacted me on my department issued cell phone. He advised me that the vehicle I was out with was his vehicle but it was

Bonney Lake Police Department Incident Report

Incident No. 2300600245.1 COPY Page 12 of 12

registered to his cousin Dickson. I informed Mackrineld of the incident and apprised him that his vehicle was going to be impounded to the Bonney Lake Police Department and he would be contacted by a detective following the execution of a search warrant.

At approximately 0505 hours, Willy with Cascade Towing arrived and secured the vehicle on his flatbed tow truck. I followed the tow to the Bonney Lake Police Department secure impound yard where it was secured with evidence tape covering all access points to the vehicle. After it was secured, I photographed the vehicle showing the tape and signed evidence tape used to secure the vehicle.

A while later, while investigating the incident further, Sergeant Scott advised me that one of the suspects is Marcus' cousin and the others were his friends. Sergeant Scott was able to identify the suspects as Carson T. Hatch (DOB: 11-4-2002), (B) (B) and Jacob D. Ortiz-Carlborn (DOB: 10-1-2003). Sergeant Scott further advised me that (B) is Marcus' cousin.

It should be noted that on 1-1-2023 Carson's vehicle was involved in a single vehicle collision that occurred on SR 410 and 208th Ave E. In this incident (reference case #2300100468) numerous juveniles were observed exiting the vehicle and fleeing the area by East Pierce Fire & Rescue Medic unit 116. No one was located as the juveniles were observed running back into the Cedarview Neighborhood.

After that incident, Cascade Tow received a phone call from someone identifying themselves as "Jessie" stating Cascade Tow better not tow the vehicle or Jessie would burn the business down. The phone number used to make this call was provided to me from the tow truck driver (253-290-7378).

I request this case be forwarded to investigations for further follow-up.

Nothing further...

Officer T. Graham #676

Bonney Lake Police Department
