Hi Stef!

Thank you for the corrected annual report from 2021 and for double checking the data. May I please get incident reports from the list of cases you provided, including narratives?

Thank you!

Best,  
Heather

Hello,

I received your email and looked into that for you. I'm sorry about the annual report mix-up. That was not the correct one for 2021, oops. When I originally saved that into our file, I forgot to replace it with the new one. I have added the new one to your request and it is labeled correct copy. Sorry for the confusion and the mix-up. As to the eluding (vehicle pursuits), that is the way our agency codes them. In our data system, there is no code for "vehicle pursuits" they are all coded felony elude. That itemized list that I originally provided is the stats for your request. I re-checked in the system just to be sure, and it was the exact same information that I provided to you previously.

If I can help with anything else, please let me know. Have a great Thursday!

Stef

Hi there - I am following up on this PDR from earlier this year to follow up on a few points. Please let me know if you need me to open a new one.

It looks like the "Violations" data summarized in the 2021 and 2022 annual reports are identical, which I'm assuming is an error. I'm wondering which report is incorrect and whether I can get a corrected copy (if one was ever produced).

I've also noticed that none of the annual reports include vehicle pursuit statistics, but instead include attempted eluding stats. Are the eluding cases different from vehicle pursuits? If so, can I please get the data on eluding for 2019-23 as well?

Thank you so much!

I think this is what you are meaning with the dispo codes:

CAA: Cleared adult arrest

CLO: Closed

ADJ: Adjusted

TOP: Turned over to prosecutor

ACT: Active

CJA: Cleared juvenile arrest

Let me know if this isn't what you were meaning. Have a great weekend.

Thank you so much for your help! Would it be possible to get the disposition codes that are mentioned in the Vehicle Pursuit List? Let me know if you need me to open a new request for that.

Best,  
Heather

Hello :)

Ok, I have converted the annual reports to PDFs so you should be able to view them now. Unfortunately we don't have one for 2019 because Chief Johnson was the one that had us start doing those and he didn't start with our agency until 2020.

If I can help with anything else, please let me know.

Thank you!

Hi again!

Looking at the file names for the .pub files, it looks like you've included annual reports for 2020-23. Is there one from 2019?

Thanks,  
Heather

Hello,

Unfortunately, I do not have a subscription to Microsoft Publisher so I'm not able to open the .pub files that you sent. Is there any way you can re-send them as .pdfs?

Thank you,  
Heather

RE: Police Records Request of June 11, 2024, Reference # S000236-061124

Dear Heather Kelly,

The East Wenatchee Police Department received a public records request from you on June 11, 2024. Your request mentioned:

**Under the Washington Public Records Act, §42.56 et seq., I am writing to request any/all of the following records from the Duvall Police Department:**

- 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;**
- 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;**
- 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.**

In responding to your request, The East Wenatchee Police Department has made a good faith effort to conduct a search that was reasonably calculated to uncover any and all responsive records. In particular, the Police Department searched its incident report data base. If you believe that this search was not reasonably calculated to uncover all requested records, please contact me immediately. Please log in to the Records Request Center at the following link to retrieve the responsive records.

Your records request is concluded and is now closed. This is East Wenatchee Police Department's final response to your request. Please let me know right away if you have any questions or concerns or if you feel there might be an error in our production of records so that we have the opportunity to review our process and/or any records pertinent to this request.

Sincerely,

Stefanie Darnell  
Police Department

Hello again,

I just noticed I mistakenly wrote "Duvall Police Department" in my original request instead of "East Wenatchee Police Department." My apologies for the typo! I intended to name your agency.
