## Narrative

### Supervisor Summary

Officers were out with a vehicle with subjects passed out behind the wheel. They were able to use stop sticks with the permission of the supervisor Cpl. McComas. The subjects woke up when Officers attempted contact and they drove off striking the stop sticks. Officer Williams was on his way to them when the vehicle passed him on Kitsap Way and Wilbert. He asked over the radio if Officers wanted it stopped and they advised yes. Cpl. McComas was on scene with the Officers who stop stuck the vehicle and they asked Officer Williams to try and stop it since none of them had yet and they startled them awake. Officer Williams turns around in an attempt to stop the vehicle and when he gets caught up to it around 6th and Wycoff it with his lights and siren on the driver fails to stop evading him. Officer Williams deactivates his equipment and makes the first turn he comes to off the path of the vehicle which was onto Callow Avenue. When catching up to the vehicle he does pass a motorcycle on the right at 11th and Kitsap Way when the lane goes from one to two, which I discussed with him and the importance of not passing on the right. Especially with a motorcycle which is more likely not to see or hear you. He said he understood and knows better not to pass on the right. He said he will be more cognizant next time. After reading his report and watching his dash camera I believe his actions to be within policy.
