Dear ,

Thank you for your interest in public records of the Lynnwood Police Department. Your request has been received and is being processed. Your request was received in this office on October 02, 2024 and given the reference number D002346-100224 for tracking purposes.

*This is a follow-up request to a prior PDR (D001389-061224) that was closed out. Your agency asked me to clarify my request by calling in, and I thought I had left a message, but never heard back so I'm opening a new request. I'm not sure what the nature of the clarification was that was needed, so please let me know what additional information I need to provide.*

*Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the following records from the Lynnwood Police Department:*

- 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;*
- 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;*
- 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.*

*This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.*

Your request will be forwarded to the relevant City department(s) to locate the information you seek and to determine the volume and any costs associated with satisfying your request. In accordance with the public records law the City has five business days after the receipt of records request to respond. You will receive a response by 10/9/2024.

You can monitor the progress of your request at the link below and you'll receive an email when your request has been completed. Again, thank you for using the Lynnwood Public Records Center.
