Dear Heather Kelly,

This email is in response to your public records request received by the City of Federal Way Police Department as follows:

Request Number: P-2024-1873

Security Key: 39EA0E31

Request: Hello, Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the following records from the Federal Way Police Department: 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law; 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023; 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Date Range:

*****The list of vehicle pursuit incidents--It is only a list where the words "vehicle pursuit" were mentioned. Since I never got a response for the clarification of if you wanted the ones where we only *actually* pursued vs a vehicle fled and we did not pursue, I sent you the list where the words "vehicle pursuit" are mentioned as that is how the report came out. This does not mean we pursued in all of those incidents.*****

Staff has reviewed their files and located records responsive to your request; these records are available through the [City of Federal Way Public Records Portal](#). Please use the request number and security key referenced above.

This request is considered complete and closed. All records found responsive to your request P-2024-1873 have been made available to you electronically to view or download in the city's public records portal. The Police Department does not intend to provide any additional records or responses following this closure notice and the one-year statute of limitations for judicial review has now begun. Should you have any questions regarding this letter please contact me within 10 days.

With the production of these records and release of this retrieval information, your request is considered satisfied and closed. Thank you for using the City of Federal Way Police Department Records Center.

Thank you,
Police Records
