RE: Public Records Request: P000173-091824

Dear Heather Kelly,

The City of Mukilteo received a public records request from you on 9/18/2024. You requested:

Hello! I am writing to follow up on PDR number P000023-061524 requesting, in part, "A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;"

In response to that request, I received the attached spreadsheet and message from Chief Illyn. Can you please clarify whether the spreadsheet previously provided is the spreadsheet he references in his message. If not, I would like to request the spreadsheet he is referring to.

This letter is to request that you clarify what information you are seeking from the City in order to identify any responsive records. Please clarify the following: Hi Heather, I have realized that spreadsheets are not easy to look at after they are uploaded to GovQA. Would you like me to email these to you instead?

We look forward to receiving your response at your earliest opportunity so that work on your request can continue. Depending on when and how you clarify, we anticipate being able to provide either an installment of records or a status update on or about 9/25/2024. Please note that this is only an estimate and may be subject to change as the City works on the response to your request.

Note that if the City does not receive a response within 30 days of this request, we will consider the request closed. Should you have any questions, please feel free to respond to this email or call the City Clerk's office at 425-263-8100.
