Re: Public Records Request Received – **June 12, 2024**

File Number: **PRR24-234**

Your request has been assigned the above-referenced file number and we ask that you please reference that number in any future correspondence regarding your request.

Your public records request that was received by the City of Lynden Police Department on **June 12, 2024**, for "*A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from y our records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law*" is now closed for the following reason:

- All responsive records have been produced and the request is now closed. The City of Lynden Police Department does not intend to disclose further records.

Please note that the items redacted did not include **vehicle** pursuits. When we searched for words including or meaning "pursuit" we received items that included *foot pursuits*, lack of smooth *pursuit* (in eyes), *fled* on foot, etc.

If you have questions regarding this request, please let us know by emailing us at lyndenpd@lyndenwa.org, or calling 360-354-2828, within 14 days of this notice so that we may follow up with you.

If you wish to go to court and claim that a record was improperly withheld or redacted, you must file a claim within one year from today, **September 4, 2024**. See [RCW 42.56.550\(6\)](#).

Sincerely,

Lynden Police Department Records
