Dear Heather Kelly,

The City of Federal Way Police Department has received your request **Request Number: P-2024-2441** (security key 20E8A206) and we look forward to assisting you with your public records search.

This request will be assigned to staff who will begin the process of seeking out responsive documents and determining, based on volume, any costs associated with satisfying your request. Per the Revised Code of Washington (RCW) 42.56.520 you will receive a response within five (5) working days which will be one of the following:

- Providing the record(s);
- Providing a link to the records posted on the City website;
- Providing a reasonable estimate of time the City will require to respond to the request;
- Seeking clarification of the request; or
- Denying the request [per RCW 42.56.520(4)].

PLEASE NOTE: The State of Washington Public Records Act found in the Revised Code of Washington (RCW) Chapter 42.56 does not require a governmental agency to create new information, to do legal research, or to answer questions.

You can monitor the progress of your request at the link below and you will receive an email when your request has been completed. Again, thank you for using the City of Federal Way Public Records Request Center.

*****I am going to have to re-run the list and sort through each individual case to let you know since our system does not sort it the way you are asking for it. This will take me some time to produce and work on, as we are currently dealing with an extremely high volume of requests.*****

Sincerely,

Whitney Hobbs
