## Narrative

### Supervisor Summary

Officer Garland attempted to stop a reckless motorcycle for excessive speed and lane travel. As he got behind it and activated his lights the rider refused to stop and accelerated away. Officer Garland disengaged with the motorcycle and stopped his attempts to stop the motorcyclist. I watched his dash camera of the incident and read his report. The camera does not show the motorcyclist or any driving. The footage is very short and it appears Officer Garland activates his lights for a second or two to get the attention of the motorcyclist but does not even catch up to it. Reading the report I believe his actions to be within policy.
