INVESTIGATION:

On 7/6/2019 at about 0347 hours, I was on patrol on Valley Mall pkwy at 9th St when a 1995 GMC Jimmy with WA plate APX0893 drove in front of me on Valley Mall Pkwy. I got behind the vehicle and ran the registration. I followed the vehicle as it turned onto 11th St NE off of Valley Mall and it crossed the center line. I also observed the vehicle had a defective middle brake light. the vehicle continued up 11th St NE to N Baker and turned right onto Baker. The vehicle made a wide right turn onto Baker and I decided to stop the vehicle.

I activated my overhead emergency lights on my fully marked patrol car. The Jimmy came to a stop at 1004 N Baker in the parking lot. I got out of my fully marked patrol car wearing my issued uniform. The male in the driver seat of the Jimmy stuck his head and part of his torso out of the drivers side window and twisted around in the direction I was walking up to his vehicle. The driver was later identified as Rigoberto Licea Reyna. Licea asked why I stopped him as I was walking up to his drivers door. I explained it was because of his defective middle brake light as I was doing so and I was halfway between my patrol car and Licea's vehicle Licea hit the gas of his vehicle causing his rear tires to peel out kicking up some dirt in the dirt parking lot and turn back onto Baker heading south towards 9th St NE.

I had to turn to run back to my patrol vehicle and get back in the drivers seat. I advised dispatch that I was in pursuit of the vehicle and got back behind the vehicle. The vehicle came to an abrupt stop at 910 N Baker. Licea left the Jimmy running and was parked at an angle partially in the roadway and jumped out of the driver seat. Licea took off on foot heading northbound back towards my vehicle running to the passenger side of my vehicle and onto the sidewalk northbound. I jumped out of my vehicle and took off on foot after Licea. I yelled at Licea to stop. Licea continued to run. I overtook Licea and drew my pistol to a low ready and ordered Licea to the ground. Licea was stating for me not to kill him and I continued to order him to the ground. Licea finally complied after yelling at him in a forceful manner. Licea was put into a prone cuffing position. I placed cuffs on his wrists and double locked and waited for Officer Ruiz to arrive before getting Licea to his feet and walking him back to my car.

I performed the search incident to arrest of Licea and located his wallet with his WA ID which identified him as Licea. Officer Ruiz ran his name I was advised he was driving while license suspended III.

Officer Ruiz and Sgt Fauconnier cleared the car. I performed a search incident to arrest of Licea and did not find anything of evidentiary in value on his person. The Jimmy also was impounded and later towed by Randy's. A tow impound sheet was completed.

Officer Ruiz located a pipe that was possibly thrown out of the vehicle after Licea took off from me at 1004 N Baker when I had lost sight of the drivers side view when running back to my patrol vehicle. The pipe was located in front of 930 N Baker on the sidewalk/driveway (which was on the driver side as Licea would have been driving and Licea had his window open).

I advised Miranda rights to Licea at about 0356 hours which Licea stated he understood and waived. Licea stated he knew he had ran but did not want to get in trouble because his mother was sick and he did not want to go back to prison because she would not live much longer. Licea denied that the pipe belonged to him even though he admits to smoking drugs.

The pipe was later collected and placed into evidence.

The Jimmy was towed by Randy's and impounded.

Licea was later transported and booked for DWLS III, Possession of drug paraphernalia, and Felony Elude. I also request a charge of obstruction be added. Licea was booked without incident into the Chelan County Jail. I cleared the call.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
