Synopsis:	
-----------	--

Narrative:	<p>On June 26th, 2019 at approximately 0156 hours, I was on a traffic stop (Bonney Lake incident number 1917700106) in approximately 18100 block of State Route 410 E. Officer B. Mahlum was on scene of the traffic stop with me when a Silver Corvette (Washington license plate BKV6857) passed our stop location going eastbound in the westbound lanes of travel.</p> <p>Officer Mahlum advised dispatch of the vehicle and advised the vehicle continued eastbound in the westbound lanes of travel. Officer Mahlum advised over the radio he had caught up to the corvette at Sky Island Dr and SR 410 E. I completed the traffic stop and Officer Mahlum had advised the vehicle was not stopping. Officer Mahlum advised the vehicle was going northbound on 192nd Avenue East and continuing to fail to yield. Officer Mahlum then advised the vehicle was westbound on Sumner Buckley Highway and continuing to fail to yield. I was at Veterans Memorial Drive East and SR 410 E. I headed eastbound on Veterans Memorial Dr E and set up at Main St and Veterans Memorial Dr with spike strips in case the vehicle continued westbound.</p> <p>Officer Mahlum advised the vehicle was northbound on Locust passing 84th St E. I got back into my patrol car and, with emergency lights and siren activated, started making my way towards Officer Mahlum's location. Officer Mahlum advised the vehicle was pulling away from him at a high rate of speed and turned right onto 80th St E. Officer Mahlum lost sight of the vehicle until he got to 190th Avenue E and 77th St E. Officer Mahlum located the vehicle in the driveway of 19002 77th St E. The vehicle was parked and the male driver (Kristopher M. Devers DOB 07/28/1994) running from the vehicle into the garage and closed the door.</p> <p>I arrived moments later and approached the residence with Officer Mahlum. Officer Vance arrived and watched the back of the residence. Moments later two males came to the front door one of which was Kristopher. Kristopher was instructed to exit the residence and put his hands up. Kristopher did not want to come out initially but did exit the residence without incident. I placed Kristopher in gauged double locked</p>

handcuffs behind his back and Officer Mahlum escorted Kristopher over to his patrol car. Kristopher had taken all clothing items off except for his boxer briefs before exiting the residence.

I took photographs of the vehicle including the interior where the drivers seat, floor board, and dash board were covered in vomit. I photographed the passenger side of the vehicle where a black in color hand gun was lying. The hand gun appeared to be a Glock and was in a holster. Also located on the passenger side floor board was a large empty bottle of liquor. Officer Mahlum transported Kristopher back to the Bonney Lake Police Department where he was placed in a holding cell while a blood warrant was written. I completed the DUI impound tow form and waited for Cascade Towing to arrive and take the vehicle.

Once Cascade Towing arrived and took the vehicle I returned to the Bonney Lake Police Department and waited for Officer Mahlum to complete the DUI blood warrant. Once the blood warrant was completed and approved by a judge, I transported Kristopher to Good Samaritan Hospital in Puyallup where a legal blood draw was completed. I watched the the lab technician wipe Kristopher's left arm with an Iodine wipe and then draw two gray top tubes of blood. The lab technician filled out the label on the tubes and then I sealed the tubes with the provided stickers. I sealed the tubes in the provided carton and then had the lab technician sign the remaining forms.

I transported Kristopher to the Pierce County Jail where he was booked for Felony Eluding and DUI.

I had no further involvement with this case.
