Hi Kathi,

Thank you again so much for your patience with the download link. I always forget to check spam! Anyway, I have reviewed the materials you sent and I do not see anything responsive to item 3 of my request, "3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between

2019 through 2023." I just wanted to confirm that I wasn't missing anything. Can you confirm there are no records for item 3?

Thank you!
Heather

See page 4 of the attached file, when I first sent this to you, I responded with information about all three items listed.

Kind regards,
