INVESTIGATION:

On 10-04-2019 at approximately 2056 hours, I was working uniformed patrol for the City of East Wenatchee and operating a fully marked patrol unit.

I was travelling south in the 200 block of N Georgia Ave, when I observed a red Kawasaki motorcycle bearing LIC WA/4D9765 pull into the roadway travelling south in front of me. When the motorcycle was pulling out, it swerved a little, as though the rider was inexperienced. The rider was wearing all dark clothes with a black helmet and a blue backpack. The rider approached the stop sign at Grant Rd, slowed, then rolled through without stopping, travelling westbound.

After observing the violation, I pulled onto Grant Rd and caught up to the Kawasaki. I advised Rivercom of the traffic stop and provided the registration. I activated my emergency lights to perform a traffic stop. The motorcycle signaled and pulled into the Papa Murphy's parking lot, located at 505 Grant Rd. The rider accelerated through the parking lot and turned west to exit the lot. It was obvious the rider had no intention of stopping, so I activated my audible siren.

The rider accelerated out of the parking lot onto Eastmont Ave towards Grant Rd. The rider then turned westbound onto Grant Rd, ignoring the red light. The rider then accelerated to approximately 55 mph westbound on Grant Rd. The rider

blew through the red light located at Grant Rd and Valley Mall Parkway. The rider then turned south onto SR 28 and accelerated to 65 mph. As we continued south on SR 28, the rider accelerated to approximately 85 mph.

Knowing this incident would more than likely have a high risk ending, I activated my AXON body camera.

The rider continued south at approximately 85 mph, until we reached Rock Island Rd. The rider continued south on Rock Island Rd at speeds of approximately 65 mph. We entered the City of Rock Island, where the rider continued travelling at reckless speeds. We turned left on Saunders Ave and continued to N Garden Ave, where we turned southbound. The rider continued across Rock Island Rd, ignoring the posted stop sign. The rider turned onto 3rd St SW and turned eastbound, ignoring the posted stop sign. The rider turned northbound onto Rock Island Dr, ignoring the posted stop sign. As we got onto Rock Island Dr, I observed I had support units arriving in the area. Sergeant Baker was right behind in the number two position. Sergeant Baker took over the radio calling for me. The rider turned northbound onto N Garden Ave, then back westbound on Saunders Ave. As the rider turned, it ignored the posted stop sign. The rider then turned northbound onto Hanna Pl, a dead-end street.

The rider quickly pulled into the driveway of 111 Hanna Pl and parked his motorcycle. I exited my patrol unit and maintained visual of the rider as he exited the motorcycle. I drew my service weapon and advanced, giving commands for him to show me his hands. The rider did not comply but continued to run and jumped a chain link fence. I reached the fence, holstered my service weapon and jumped the fence. I heard the rider yelling, "open the door, open the door!" I ran at the rider to take him into custody. As I did so, he kicked me as I advanced. I grabbed the subject to take control of him and to take him to the ground. The rider and I started to fight over control. As I was fighting with the rider, residents of the household emerged and began pushing me and hitting me, telling me to let him go and to not hurt him.

Sergeant Baker and Officer Caballero joined the struggle to assist me. The rider continued to fight all three of us, so I drew my service taser and performed a 3 second drive stun to the rider's lower back. After that we were able to get him to lie on his stomach, but he continued to fight with us, refusing our commands. I gave him several commands to pull his hands out from underneath him, but he refused. I gave him another 3 second drive stun to the back of his left thigh. After the shock, we were able to get his hands and fought them behind his back into handcuffs. Officer Caballero placed the rider in handcuffs. Officer Caballero and I searched the rider incident to arrest. In his pants pocket, I located a small clear bag with a clear crystalline substance. Based on my training and experience, I believed the substance to be Methamphetamine. In his right jacket pocket, I located his wallet. In his

wallet, there was a large wad of cash.

Officer Caballero and I did not locate anything else of evidentiary value on him. Officer Caballero and I escorted him to my patrol unit. I searched him again at the patrol unit, but did not locate anything else of value. I read him his Constitutional Rights and he stated he understood them. I asked him if he was willing to talk to me and he nodded. I asked him questions, but he just ignored me.

I located the subject's identification in his wallet and identified him as Elian Santillan Cruz (DOB 05-18-2000). Deputy Williams performed a records check through Rivercom on Cruz and it returned with him having a felony warrant out of Department of Corrections (DOC). Cruz also had a suspended driving status and was ignition interlock required.

I placed Cruz's backpack on the hood of my patrol unit to search. As soon as I opened the main zipper compartment, I saw a large amount of drugs. I observed two large clear bags containing a crystalline substance. Based on my training and experience, I believed the substance to be Methamphetamine. I removed the bags and felt the shards of the crystalline substance were the approximate size of baseballs. As I continued to search, I located a large amount of a black tar like substance. Based on my training and experience, I believed the substance to be Heroin. I continued searching and located an additional large clear bag of the crystalline substance. As I continued the search, I located a plastic box with a clear lid. The box appeared to be a kit to separate, weigh and package the drugs. In the box, I located a digital scale with residue, scalpels to cut the drugs with, baggies to package it, rolling papers, lighters and other little tools. In one of the small pockets, I located a clear glass smoking device with burnt white residue in the bowl area. Based on my training and experience, I believed the device to be utilized to ingest Methamphetamine. Also, I located a small bag of a green leafy substance. Based on my training and experience, I believe the substance to be Marijuana.

I photographed all the drugs and the backpack. One of the bags had a hole in it and inside the backpack was at least a few grams of Methamphetamine.

I packaged up the whole backpack as evidence. I looked at the wad of cash in Cruz's wallet and it appeared to be all 5, 10, and 20-dollar bills. These denominations are the most common when someone is dealing drugs. I removed the driver's license and seized the wallet with the cash under the Seizure and Forfeiture law (RCW 69.50.505).

I advised Rivercom I would be seizing the Kawasaki as well. Rivercom dispatched Dicks Towing to remove the motorcycle. Officer Caballero stayed on scene to arrange for the tow. The key was removed from the motorcycle and it was walked

out to the street for removal.

Cruz's sister arrived on scene and walked up to me. She asked why her brother was being arrested. I advised her he had a warrant for his arrest among other reasons. I asked the Kawasaki was his, her and her boyfriend stated it was and he had just bought it. I asked them if he had a job and they stated no. I asked how someone with no job can afford a nice motorcycle, they hesitated and then stated it was his friends. The sister and her boyfriend were not identified.

I cleared the scene and transported Cruz to the Chelan County Regional Jail. I had Rivercom dispatch AID to come to the jail and clear Cruz for booking. AID arrived and advised Cruz was cleared for booking. Cruz was booked for his DOC warrant, Possession of a Controlled Substance with the Intent to Deliver - Methamphetamine (RCW 69.50.401), Possession of a Controlled Substance with the Intent to Deliver - Heroin (RCW 69.50.401), Possession of Drug Paraphernalia (RCW 69.50.412), Driving While License Suspended 3rd Degree (RCW 46.20.342.1C), Attempting to Elude a Police Vehicle (RCW 46.61.024), Operating a Motor Vehicle without Ignition Interlock (RCW 46.20.740), and Assault 3rd Degree (RCW 9A.36.031). I advised him I had seized his cash, the Kawasaki, and decided to seize his phone for a search warrant.

At the police department, I tested all the crystalline and black tar like substances utilizing a NARK II test. The three large bags of crystalline substance tested presumptive positive for Methamphetamine. The smaller bag taken off Cruz during the search, also tested presumptive positive for Methamphetamine. The clear glass smoking device with the burnt white residue tested presumptive positive for Methamphetamine. I tested the black tar like substance, and it tested presumptive positive for Heroin. Each bag was weighed utilizing a digital scale. One bag weighed 69 grams or 2.43 ounces, the second bag weighed 103 grams or 3.63 ounces, and the third large bag weighed 78 grams or 2.75 ounces. The smaller bag weighed 9 grams or .32 ounces. The bag of Heroin weighed 98 grams or 3.45 ounces. The Marijuana weighed 5.5 grams.

While removing evidence from the back pack, I located a small folder with the registration to the motorcycle. In the same small folder, I located \$260.00. Along with the money, I located handwritten notes describing weight and price of drugs. It was a make shift receipt system or ledger system. Also, I located several money express slips, where money was sent by Cruz to Mexico. All the items were photographed and seized as evidence. The \$260.00 was seized under the Seizure and Forfeiture law (RCW 69.50.505).

All monies and the motorcycle were seized under the Seizure and Forfeiture law (RCW 69.50.505).

Based on my training and experience, it is evident Cruz is taking part in the selling and distributing of several types of illicit drugs.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATION: On October 4, 2019 at approximately 2056 hours, while assigned to patrol in full uniform for the city of East Wenatchee, Sergeant Garcia (1D03) advised Rivercom of a traffic stop. Shortly after this radio traffic, Sergeant Garcia advised Rivercom the vehicle was not stopping. Sergeant Garcia provided Rivercom with his direction of travel, traffic conditions and rates of speed. The vehicle was a red Kawasaki motorcycle WA/4D9765.

Sergeant Garcia advised the vehicle was traveling westbound on Grant Rd. and continued southbound on SR 28. At this time, I advised Rivercom I will be responding from Grant Rd. and Eastmont. The pursuit continued to Rock Island, WA.

Douglas County Sheriff Office assisted during this incident, Sergeant M. Baker (D09) and I caught up to the pursuit in Rock Island following behind Sergeant Garcia and the suspect vehicle. The suspect vehicle made a turn onto Hanna Pl., continued towards the end of Hanna Pl., stopped in the driveway of a residence and fled on foot. It was later known this was the suspect girlfriend's residence.

The suspect, whom was later identified as Elian Santillan-Cruz DOB: 05/18/00, ran to the back of the residence; Sergeant Garcia, Sergeant Baker and I followed. Santillan-Cruz tried to enter the residence through the sliding door. Sergeant Garcia was the first Officer to come in contact with Santillan-Cruz.

Santillan-Cruz actively resisted by attempting to enter the residence, Sergeant Garcia, Sergeant Baker and I pulled Santillan-Cruz back as he was holding to the door frame. I pulled from his backpack and clothing. Santillan-Cruz continued to actively resist, the residents at this location came to the back of the residence and momentarily tried to pull Santillan-Cruz inside. The residents were ordered to get back. Sergeant Garcia used his Taser and drive stunned Santillan-Cruz. Santillan-Cruz laid on the ground face first with his arms to his side. I attempted to control Santillan-Cruz's right arm by grabbing his wrist, but he rapidly moved his arm and I lost control. Santillan-Cruz was drive stunned again with the use of the Taser by Sergeant Garcia. At this time, I was able to control Santillan-Cruz's right arm and moved it behind his back. I applied wrist restraints and placed Santillan-Cruz on his side.

Sergeant Garcia searched incident to arrest (see Officer's report for details on

what was located on his person) and Santillan-Cruz was escorted to the patrol vehicle. I recognized Santillan-Cruz from a previous involvement where he recklessly crashed into a property on 09/08/18, reference case number 18E05433.

I double locked and checked for fit on both wrist restraints. I advised Santillan-Cruz this conversation was being recorded. Sergeant Garcia read Miranda rights, Santillan-Cruz understood his rights and remained silent. Santillan-Cruz was placed in the back seat of the patrol car without incident.

I also assisted Sergeant Garcia by completing a tow form for the vehicle and provided him a copy. Photos were taken and downloaded to case photos folder. The suspect's vehicle was towed to East Wenatchee Police department by Dicks towing, I followed and kept visual of the vehicle. The vehicle was secured at East Wenatchee Police department sally port. Photos were taken and downloaded to case photo folder. End of report.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATION:

On 10-25-2019 at approximately 0200 hours, I retrieved evidence from the secured evidence lockers. Prior, I had spoken to the Douglas County Prosecutor's Office about how they wanted the drugs in this case to be tested. I did not want to send all the drugs to the WA State crime lab because there was over half a pound.

The prosecutor's office advised to take a small sample from each bag and send it to the lab.

I cut a small hole in the existing evidence bags and took a small amount of each bag and placed it in a small sample bag. The small sample bag was then placed in another evidence bag.

There was one evidence bag containing Heroin, three bags containing a large amount of Methamphetamine, and one bag containing a smaller amount of Methamphetamine. Each bag was properly documented. The initial bags were then sealed with evidence tape and marked with my initials.

All bags were resubmitted to the evidence clerk to be stored as evidence and to be sent to the crime lab.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
