ADOPTED Model Policy on Referring a Person Who is the Subject of a Report of Threatened or Attempted Suicide to a Mental Health Agency.pdf;

Shannon,

You asked and they must have heard you. This is the model policy that was officially adopted by WASPC. Since I got it, I thought I'd send it your way.

Have a great week.

Thanks,

Samantha

Subject: Adopted WASPC Model Policy - HB 1448 Suicide Referrals

FYI – During our Spring Conference two weeks ago, our members approved the attached Model Policy on Referring a Person who is the Subject of a Report of Threatened or Attempted Suicide to a Mental Health Agency (pursuant to HB 1448).

I've attached the adopted version of the model policy (neither the WASPC Model Policy Committee, the WASPC Executive Board, nor the WASPC Membership made any changes to the document).

Thanks again for your assistance in helping us develop this model policy – particularly in the short period of time we had to get it done.

-James
