RE: Sheriff Records Request of November 15, 2023, Reference # S002535-111523

Dear Heather Kelly,

Island County Sheriff's Office received a public records request from you on November 15, 2023. Your request mentioned:

Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records:

Monthly counts of vehicle pursuits involving the Island County Sheriff's Office from 1/1/19 through 11/30/23.

Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Island County Sheriff's Office has reviewed its files and has located the following information to fulfill your request.. Tracking began in 2020, therefore, we do not have information for 2019. Information for 2020 is only available as a number of pursuits for the year.

2020: 20 pursuits total

2021: April -2 pursuits

2022: January- 1 pursuit, July- 1 pursuit and October-1 pursuit
