### Request

Hello,

Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the following records from the College Place Police Department:

- 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;
- 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;
- 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.

This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

A portion of records that are responsive to your Public Records Act request have been released. We believe these will cover #2 and #3 from your request but, if you feel there is (or should be) more, please clarify or identify what might be missing.

Please note that we are still in the process of reviewing other potentially responsive documents. Assuming other responsive documents exist, we expect to be able to provide a second installment, or notify you of the status, by August 10, 2024.

We reserve the right to withhold and/or redact any records or information that may be exempt from disclosure under the Public Records Act, and/or other applicable legal privileges including, but not limited to, attorney work product and attorney client privileges.
