## Narrative

### Supervisor Summary

Cpl. Peterson observed a green Honda Accord (AIJ9185) traveling west bound on Sylvan Way. Cpl. Peterson ran a random registration check by providing this information to CenCom. Cpl. Peterson continued following the vehicle and observing it's behavior while waiting for a return. Shortly after, CenCom advised the vehicle was a stolen vehicle reported by Kitsap County (K23-001863). While waiting for the return, Cpl. Peterson allowed the vehicle to gain a good amount of distance ahead of him but maintained eye contact on the vehicle. Upon receiving the return, Cpl. Peterson acknowledge the return and waited until additional units arrived to arrive prior to initiating a traffic stop. Cpl. Peterson continued observing the vehicle at a distance and saw the vehicle turn north into a residential area, from Sylvan Way. Cpl. Peterson attempted to close the distance to maintain eye sight on the vehicle. As he turned onto the road the stolen vehicle had taken, he lost complete sight of the vehicle. While checking the immediate area, Cpl. Peterson re-located the vehicle stopped in a dead end area. This is when Cpl. Peterson activated his camera which captured the vehicle stopped in the dead end area.

The vehicle lights were turned and he vehicle was still running. Using his spotlight, Cpl. Peterson pointed his spotlight towards the vehicle which caused the driver to put the vehicle into drive. Cpl. Peterson activated his overhead emergency lights in an attempt to stop the vehicle. The suspect vehicle completes a three-point turn, driving past Cpl. Peterson's patrol vehicle and out of the area. The suspect vehicle was occupied by a white male (driver) and female (passenger). Once the vehicle passes, Cpl. Peterson turns patrol vehicle around to observe the vehicle. Cpl. Peterson turns off his overhead emergency lights and allows the suspect vehicle to exit the area without pursuing it.

Cpl. Peterson does take the same route the suspect vehicle is last seen leaving, to exit the residential area. While exiting the area, Cpl. Peterson allows a good amount of distance between himself and the suspect vehicle, causing the vehicle to lose line of sight of Cpl. Peterson. Cpl. Peterson takes a series of turns to exit the residential area and the suspect vehicle is not seen on camera during his exit. While leaving the area, Ofc. Green advised the suspect vehicle passed him at a high rate of speed, last seen traveling westbound on Riddell Road towards Tracyton Beach Road. Ofc. Green advised he did not even attempt to stop the suspect vehicle. I reviewed Ofc. Green captured camera footage and there was not activation of his overhead emergency lights.

I reviewed Cpl. Peterson's report and video, Cpl. Peterson's actions were consistent with BPD Policy.
