Narrative

Supervisor Summary

I was the supervisor in service at the time of this event and was monitoring radio traffic. Officer Trask self-terminated the pursuit and did not require any intervention on my part. I reviewed Officer Trask's written report and ICV. ICV tagged.

Officer Trask attempted to make a traffic stop on a vehicle with no license plate at approx. 0837 hrs on 12/21/2022 at Chester Ave / 5th St. Officer Trask followed the vehicle for approx. 40 seconds, with his lights activated and intermittently activating his siren. The vehicle continued at a slow speed during that 40 seconds, passing at least three areas to safely pull over. During this 40 seconds, the vehicle's actions met the definition of Failing to Yield per BPD Policy 313.1.1. Officer Trask's continued attempt to signal the vehicle to stop was appropriate.

After approx. 40 seconds, the vehicle began to significantly increase speed and ran a stop sign. Officer Trask immediately turned off his lights and siren, stopped at the stop sign, and advised the vehicle was trying to elude him. Officer Trask continued in the direction of the fleeing vehicle for one block, and then made a right turn off the path of the fleeing vehicle. His decision to terminate was appropriate and in compliance with state law and BPD Policy.

Approx. four hours later Officer Trask re-located the vehicle parked and unoccupied. He continued with his investigation and was able to identify the suspect; however, he was not able to locate her.

Officer Trask's initial stop attempt was lawful and was permitted by policy to continue the attempt to stop during the first 40 seconds when the vehicle was traveling at slow speeds. He immediately terminated when the vehicle increased speed and ran a stop sign, which was the correct decision to terminate and was in compliance with Policy 313.1.1, Failing to Yield and Attempting to Elude. Officer Trask later relocated the vehicle and continued with his investigation, identifying (but not locating) the driver and completed a PC Statement.
