RE: Request for Records - P011970-111623 – Timeframe Extension

Pacific County received your Request for Records on 11/16/2023 regarding: "Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records: Monthly counts of vehicle pursuits involving the Pacific County Sheriff's Office from 1/1/19 through 11/30/23. Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law."

PCSO is continuing to compile responsive records and we anticipate it may take until 1/12/2024 to fulfill your request. Please be aware that the response time being provided to you is an approximation only. Pacific County will continue to make every reasonable effort to respond as promptly as possible to your request.

Thank you and if you have any questions, please feel free to contact me.

Sincerely,

PACIFIC COUNTY
