## Narrative

### Supervisor Summary

KCSO Deputies had a stolen vehicle flee from a contact they attempted and during the process the suspect stuck an unoccupied KCSO vehicle at about 1406 hours. Officer Greenhill located the vehicle driving on Warren Avenue and 16th Street at about 1455 hours and followed it without any lights on waiting for more units to attempt a stop. While he was following the vehicle the driver accelerated away from him and ran several stop signs fleeing the area. This was done without any attempt from Officer Greenhill to stop the vehicle. He advised the vehicle was driving recklessly and he was not attempting to stop it. He was able to give directions as to the location the vehicle was going as he saw it flee the area. There was no video of this incident as Officer Greenhill did not activate his lights.

At about 1459 hours the vehicle passed Cpl. J. Ejde on Callow Avenue and 6th Street. At about 14:59:30 on the in car video, Cpl. J. Ejde activated his emergency equipment and turned around to attempt a stop on the vehicle. After he turned around at about 14:59:24 Cpl. J. Ejde advised the vehicle rook off from him and he deactivated his equipment. He pulled over on the side of Callow Avenue and did not attempt to go after the vehicle as it was clear he was eluding him and it did not meet our BPD policy or state law. I tagged the parts in Cpl. J. Ejde's video where he activated his lights and then deactivated them. The following is the synopsis of what took place per the policy:

1. The initial reason for pursuit  
stolen vehicle/reckless driving

2. The conditions of the pursuit, including time of day, weather conditions, traffic.  
dry roadway, afternoon, clear, medium traffic.

3. The duration and length of the pursuit.  
No pursuit was initiated.

4. Speeds.  
No speeds to document as no pursuit was initiated.

5. The path of the pursuit.  
W/B on 13th Street from Broadway to Naval Avenue and then S/B on Callow Avenue from 6th Street. No Officers initiated a pursuti and observed the driving as the vehicel passed them

6. How the pursuit, or attempt to elude, was terminated.  
Officers opted to not engage

7. Whether the pursuit resulted in a collision.  
No

8. Any injuries or property damage.  
No

9. Medical treatment.  
None

10. The disposition: arrest, citation, etc.  
Officer Greenhill developed a suspect and is working on follow up to solidify PC to arrest the subject.

This elude was within policy as Officers did not engage in a pursuit of the vehicle when the driver fled as they both knew it did not meet the policy or law.
