Narrative:	<p>On June 27, 2019 at 2221 hours, I observed an unlicensed red Pontiac stopped westbound on SR 410/195 Av E. I observed the back license plate light was defective, and I was unable to read the temporary tag in the back passenger side corner. The light turned green and the listed vehicle turned left (southbound) into the Wal-Mart parking lot. I activated my emergency lights and attempted to stop the vehicle for the defective license plate light. As soon as I activated my emergency lights the vehicle sped up and continued westbound through the straight-away portion of the Wal-Mart parking lot. There were no other vehicles traveling on this stretch of roadway at the time the vehicle sped off, failing to yield to my emergency lights.</p> <p>The vehicle disregarded the posted stop sign at 192 Av E where the Wal-Mart parking lot ended. The vehicle then turned right (northbound) on 192 Av E then disregarded the red light at 192 Av E/SR 410 E and continued eastbound on SR 410 E. The vehicle remained in the far left hand lane and continued traveling at about 60 mph (per my speedometer) on SR 410 E. The vehicle approached a red light at 195 Av E and continued through the red light without braking. The vehicle continued eastbound on SR 410 E, approaching a red light at 198 Av E and continued through the posted red light without braking. The vehicle continued traveling eastbound on SR 410 E at approximately 75 mph (per my speedometer) approaching a posted red light at 204 Av E. The vehicle slightly tapped the brakes then continued traveling through the posted red light. The vehicle approached a green light at 208 Av E and continued traveling through the light at at approximately 80 mph (per my speedometer). The traffic conditions were light and the roadway was slightly wet. The vehicle continued traveling eastbound on SR 410 E, approaching 211 Av E. The light at 211 Av E was red and the vehicle continued traveling through the light without braking. The vehicle continued eastbound and approached the posted red light at 214 Av E. The vehicle slightly tapped the brakes and continued through the red light at 214 Av E. The vehicle continued eastbound on SR 410 E, approaching the posted red light at 234 Av E. The vehicle continued through the posted red light and continued traveling eastbound on SR 410 E. The vehicle was traveling at approximately 100 mph (per my speedometer). I was still traveling behind the listed vehicle with my emergency lights and sirens activated when Officer Rice</p>

advised me to terminate pursuing the vehicle. I turned off my emergency lights and sirens and pulled off the roadway at 254 Av E/SR 410 E.

I observed other units (Pierce County Sheriff's Department) continue pursuing the listed vehicle. The vehicle was later successfully stopped by Pierce County Sheriff on HWY 18/SE Auburn Black Diamond Rd. The driver, William G. Leonard, was arrested on several charges and booked into Pierce County Jail. See original report.

Please see reference #1917802319 for further details by Pierce County Sheriff's Department. A Bonney Lake Police Department Pursuit Form was completed and returned to BL2 for review.

After the pursuit, I re-calibrated my odometer and re-traced my route and determined my pursuit was four miles total.
