Re: Your public records request reference number P045632-100224 received on 10/2/2024 for:
"This is a follow-up request to PDR number P039933-111323, which stated:

To Whom It May Concern: Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records: - Monthly counts of vehicle pursuits involving Clark County Sheriff's Office from 1/1/19 through 11/30/23. Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

What I received was a document that summarized pursuit data (e.g. what % happened during fog, or involved another vehicle, etc.), but not by month and year. Can you please provide monthly vehicle counts for the time period in question?

*Best,
Heather"*

This request is considered closed. You were provided with 416 pages of records that were identified as responsive to your request, and there are not any additional known responsive documents to provide. To locate records in response to your request, we obtained vehicle pursuit reports from our Internal Affairs Sergeant.

Please be aware that there is a one-year statute of limitations for judicial review of this request, and that has started to run as of the date of this letter because there are not any additional known records to provide. You may ask follow-up questions regarding our responses to your request within the next 14 days by calling us at (564) 397-2101 or emailing ccso.pdr@clark.wa.gov.
