Narrative

Supervisor Summary

Officer Greenhill observed a motorcycle speeding over 54 MPH in a 25 zone. He attempted to stop the motorcycle which did not stop for him. This was the second time in a couple of days this rider had eluded Officer Greenhill after being caught speeding. Officer Greenhill was attempting to see if the rider lived in the area but was not able to verify who he was or where he lives due to the fact he terminated. Officer Greenhill made the correct decision to terminate and not chase after the motorcycle as it did not meet our policy or the state law for a pursuit. Officer Greenhill was not able to identify the rider or the plate of the motorcycle but was able to send the photo to NCIS and the Navy since it appears the suspect is in the military. I watched his dash camera video and at about the 19 second mark the motorcycle goes by Officer Greenhill at a high rate of speed. At the 29 second mark the lights are activated and Officer Greenhill attempts to catch up while using his siren. The motorcycle was passing a bus as Officer Greenhill was attempting to stop the motorcycle. At 48 seconds he realizes the motorcycle won't stop and makes the decision to terminate and shut down his equipment. Officer Greenhill was in compliance with policy by terminating and made the proper decision.
