Good morning,

Attached are the reports for pursuits between 2019 and 2023 as well as our current vehicle pursuit policy. Since our policies are living documents, we do not have archived versions of past policies. Reports should have all of the applicable information available that you have requested, and they are the only document we would have that contains such information.

Driver's license numbers have been redacted under the **Driver's Privacy Protection Act 18 USC Section 2721 & 2725** which exempts the information provided by the Department of Licensing Database from public disclosure as personal information. Name and address on vehicle registration have been redacted under **RCW 42.56.070(1); RCW 46.12.635** which exempts the name and address of individual vehicle owners. Juvenile information has been redacted under **RCW 42.56.070(1); RCW 7.69A.030(A)** which exempts identifying information of a victim/witness of a crime. Employee dates of birth have been redacted under **RCW 42.56.250(8)** which exempts the month and year of birth of public agency employees. Social Security Numbers have been redacted under **The Privacy Act of 1974, RCW 42.56.070(1); 5 USC §552(a); RCW 42.56.050; RCW 42.56.230(5)** which exempts Social Security Numbers as a private concern.

This completes your request for records at this time. If there is anything else I can do for you, please let me know!

Sincerely,

*Sarah Taylor*
